(c) Nothing contained in paragraphs (a) or (b) above shall be deemed to imply or be construed to represent an exclusive enumeration of circumstances under which Commissioner may terminate this License.

3.4 Upon expiration or sooner termination of this License by Commissioner, all rights of Licensee herein shall be forfeited without claim for loss, damages, refund of investment or any other payment whatsoever against Commissioner, Parks, the City or its employees and agents.

3.5 In the event Commissioner terminates this License in accordance with Section 3.3 above, any property of the Licensee on the Licensed Premises may be held and used by Commissioner in order to operate the Licensed Premises during the balance of the calendar year and may be held and used thereafter until all indebtedness of the Licensee hereunder, at the time of termination of this License, is paid in full.

3.6 Licensee agrees that upon the expiration or sooner termination of this License, it shall immediately cease all operations pursuant to this License and shall vacate the Licensed Premises without any further notice by the City and without resort to any judicial proceeding by the City. Licensee shall remain liable to the City for any damages, including lost revenues and the cost of removal or disposal of property, should Licensee fail to remove all possessions from the Licensed Premises during the time prescribed in this Agreement. Pursuant to Section 4.5 herein, City may use the Security Deposit to recover such damages in part or in whole.

After

the service of written notice to terminate this License Agreement or the commencement of any suit or summary proceedings or after a final order or judgment for the possession of the Licensed Premises, Parks may demand, receive and collect any moneys due or thereafter falling due without in any manner affecting the notice, proceeding, order, suit or judgment, all such moneys collected being deemed payments on account of the use and occupation of the Licensed Premises or, at the election of Parks, on account of Licensee's liability hereunder.

4.2 The minimum annual fee for each Operating Year shall be paid to the City in twelve (12) equal monthly installments on or before the first day of each month of each Operating Year in accordance with the Schedule of Minimum Annual Fee Payments to be provided by Parks upon its giving Notice to Proceed. Each monthly payment is due and payable on the date specified on the Schedule of Minimum Annual Fee Payments regardless of whether Licensee has received a bill for it from Parks. If at any time Licensee's percentage fee for a particular Operating Year becomes applicable, Licensee shall thereafter for the remainder of such Operating Year pay the percentage fee on the thirtieth (30th) day of each month for the prior month's Gross Receipts.

4.3 During the Construction Period, Licensee shall not owe License fees, unless such fees are otherwise due in accordance with Article 4, it being understood that during the Construction Period, Licensee shall not operate the concession.

4.4 Late charges shall be assessed on any payment that is overdue for more than ten (10) days. In the event that payment of any License fees, percentage fees or any other charges shall become overdue for ten (10) days following the date on which such fees are due and payable as provided in this License, a late charge of two percent (2%)

per month on the sums so overdue (computed on a thirty day month) from the date they were due and payable shall become immediately due and payable to Parks as liquidated damages for the administrative cost and expenses incurred by Parks by reason of Licensee's failure to make prompt payment, and said late charges shall be payable by Licensee without notice or demand. For example, a monthly payment, in the amount of One Thousand Dollars (\$1,000), due on the first (1st) day of the month must be received no later than the tenth (10th) day of the month. If no payment is received, a two percent (2%) late charge in the amount of Twenty Dollars (\$20) will be assessed on the eleventh (11th) day of the month. If such late fee(s) and all arrearages (including prior two percent (2%) charges) are not paid in full by the tenth (10th) day of the month following the month in which it shall be due, or is already past due, an additional charge of two percent (2%) of the total of such fee and arrears shall be added thereto and shall be payable and collectable with the next monthly license fee installment. Failure to abide by the terms of this Article shall be presumed to be a failure to substantially comply with the terms, conditions and covenants of this License Agreement and shall be a default hereunder. No failure by Commissioner to bill Licensee for late charges shall constitute a waiver by Commissioner of such late charges or other right to enforce the provisions of this Article. If any local, state or federal law or regulation which limits the rate of interest which can be charged pursuant to this Article is enacted, the rate of interest set forth in this Article shall not exceed the maximum rate permitted under such law or regulation.

4.5 (a) Upon affixing its signature to this License, Licensee shall provide the City with a certified check, or any other negotiable instrument approved by Parks, in the amount of **Thirty Four Thousand, Four Hundred Fifty Three dollars and 25 cents (\$34,453.25)**, payable to the City of New York Department for Parks & Recreation "PARKS", as its security deposit ("Security Deposit"). The Security Deposit shall be held by the City, without liability for the City to pay interest thereon, as security for the full, faithful and prompt performance of and compliance with each and every term and condition of this License to be observed and performed by the Licensee. The Security Deposit shall remain with the City throughout the Term of this License.

(b) The City shall not be obligated to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(c) If any fees or other charges or sums payable by Licensee to the City shall be overdue and unpaid or should the City make payments on behalf of the Licensee, or should the Licensee fail to perform any of the terms of this License, including but not limited to the completion of the minimum capital improvement requirement as set forth in Section 6.1, then Parks may, at its option, and without prejudice to any other remedy which the City may have on account thereof, after ten (10) days' notice (provided that such cure period may be extended at the Commissioner's sole discretion upon Licensee demonstrating that Licensee has commenced cure and is diligently pursuing the same to completion), appropriate and apply the Security Deposit or as much thereof as may be necessary to compensate the City toward the payment of License fees, late charges, liquidated damages or other sums due from the Licensee or towards any loss, damage or expense sustained by the City resulting from such default on the part of Licensee. In

such event, the Licensee shall restore the Security Deposit to the original sum deposited within five (5) business days after written demand therefor. In the event Licensee shall fully and faithfully comply with all of the terms, covenants and conditions of this License and pay all License fees and other charges and sums payable by Licensee to the City, the Security Deposit shall be returned to Licensee upon the surrender of the Licensed Premises by the Licensee in compliance with the provisions of this License.

4.6 (a) On or before the thirtieth (30th) day following each month of each Operating Year, Licensee shall submit to Parks, in the form annexed hereto as **Exhibit B** or other form satisfactory to Parks, a statement of Gross Receipts, signed and verified to be true and correct by an officer of Licensee, reporting any Gross Receipts generated under this License Agreement during the preceding month. The statement shall include the following phrase: "I hereby certify above statement to be true and correct." Each of the reports of Gross Receipts shall report the Gross Receipts generated at the Licensed Premises in the categories for which rates, fees or prices are specified on Exhibit C, the Schedule of Approved Hours and Rates, Fees and Prices, including, without limitation, the following categories:

Marina	Gross Receipts from labor, fees and costs associated with the mooring and docking of boats and rental of space at the Marina;
Mechanical	Gross Receipts from repairs, installation and sale of any mechanical items at the Licensed Premises;
Beverages	Gross Receipts from beverages sold at the Licensed Premises.
Alcoholic Beverages	Gross Receipts from alcoholic beverages sold at the Licensed Premises.

	of the Commissioner.
--	----------------------

(b) Licensee shall indicate on its statement of Gross Receipts whether or not these amounts are inclusive of sales tax collected.

(c) Should Licensee refund a payment, made to Licensee by a patron seeking to reserve all or a portion of the Licensed Premises, in a month subsequent to the month Licensee received said payment, Licensee shall deduct said refund from Gross Receipts reported for the month in which the payment is refunded. Licensee shall report Gross Receipts as provided in Section 4.5(a) above and shall separately set forth, in the same Gross Receipts report, refunds made by Licensee.

(d) In the event that after the expiration of this License Agreement but prior to Licensee's final payment of license fees to Parks, Licensee refunds a deposit to a patron, then Licensee may deduct an amount equal to the applicable percentage of Gross Receipts of said refund from any such final payment of license fees due to Parks if in fact said deposit was included in the calculation of Gross Receipts, and, provided that such deposit had not been transferred to a new Licensee.

(e) Licensee is solely responsible for the payment of all Federal, State, and local taxes applicable to the operation of the Licensed Premises. With the exception of Federal, State, and City sales tax, no such applicable taxes, including but not limited to the New York City Commercial Rent Tax, to the extent applicable, may be deducted from Gross Receipts or from the compensation due under this License. The Licensee may not deduct fees paid for credit card transactions from monthly statements of Gross Receipts.

(f) If in the last monthly statement of Gross Receipts for a given Operating Year, as required by Section 4.6(a), there is indicated any underpayment of the percentage license fees for such year to Parks, then Licensee shall make such payment within thirty (30) days after delivery of such last monthly statement of Gross Receipts. If such statement indicates any overpayment of the percentage license fees for such year to Parks, verified subject to the City's audit procedures in accordance with Section 4.7 below, then Licensee shall be permitted to offset such amount against the next payments of any fees required hereunder until the overpayment is fully offset (or, if the overpayment is with respect to the final Operating Year, Parks shall use reasonable efforts to reimburse Licensee within ninety (90) days after receipt of such final statement for such Operating Year).

4.7 On or before the sixtieth (60th) day following the end of each Operating Year, Licensee shall submit to Parks a detailed income and expense statement pertaining to operations under this License, signed and verified by an officer of Licensee. The reports referenced in the preceding sentence shall be in a format approved by Parks.

4.8 (a) Licensee, during the Construction Period and Term of this License, shall maintain, and shall cause any sub-licensee to maintain, a revenue control system to ensure the accurate and complete recording of all revenues, in a form and manner acceptable to the City. This revenue control system must maintain detailed sales

information from each sales transaction. Specifically, sales information must be recorded electronically, via a computerized point-of-sale system, and must include, but is not limited to, details on each sales transaction, the item(s) sold, time, date of sale and price of the item sold. Regarding Licensee's Special Events, Licensee must also document each of Licensee's Special Events via signed sequentially pre-numbered contracts that capture event information, including the time and date of the event, the number of attendees and required payment. Upon request, Licensee shall provide to Parks any contracts, information, or documentation related to Licensee's Special Events. Licensee shall also establish a dedicated bank account for all deposits related to this concession's generated revenue. All accounting and internal control related records shall be maintained for a minimum of ten (10) years after the date of creation of the record. Additionally, all books and records maintained pursuant to this License Agreement shall be conveniently segregated from other business matters of Licensee and shall include, but not be limited to: all federal, state and local tax returns and schedules of the Licensee; records of daily bank deposits of the entire receipts from transactions in, at, on or from the Licensed Premises; sales slips, daily dated cash register receipts, and sales books; and duplicate bank deposit slips and bank statements.

(b) Licensee and any sub-licensee shall use such accounting and internal control methods and procedures and keep such additional books and records as may be reasonably prescribed by Parks and/or the Comptroller, and Parks and/or the Comptroller shall have the right to examine the recordkeeping procedures of the Licensee prior to the commencement of the Term of this License, and at any time thereafter, in order to assure that the procedures are adequate to reveal the true, correct and entire business conducted by the Licensee. Licensee shall maintain each year's records, books of account and data for a minimum of ten (10) years after the date of creation of the record.

(c) The failure or refusal of the Licensee to furnish any of the statements required to be furnished under this Article within thirty (30) days after its due date, the failure or refusal of the Licensee to maintain adequate internal controls or to keep any of the records as reasonably required by this Article or the existence of any unexplained discrepancy in the amount of fees required to be due and paid hereunder, as disclosed by audit conducted by Parks and/or the Comptroller, of more than five percent (5%) in any two (2) out of three (3) consecutive months or more than ten percent (10%) in one month, shall, if not cured after ten (10) days written notice, be presumed to be a failure to substantially comply with the terms and conditions of this License and a default hereunder, which shall entitle Parks, at its option, to terminate this License. In addition, the failure or refusal of Licensee to furnish the required statements, to keep the required records or to maintain adequate internal controls shall authorize Parks and/or the Comptroller to make reasonable projections of the amount of Gross Receipts which would have been disclosed had the required statements been furnished or the required records maintained, based upon such extrinsic factors as the auditors deem appropriate in making such projections. With respect to audits or other reviews conducted by Parks pertaining to the calculation of percentage of Gross Receipts payments during a period with missing or lost records, Parks may, at its sole discretion, use the highest grossing month over the past five (5) years (multiplied by the applicable CPI) to replace any missing monthly records, provided that the prior year's month is the same month for which records are missing. For example, if April 2027's Gross Receipts are missing and the highest April

Gross Receipts occurred in April 2024, then April 2027's "revised" Gross Receipts shall be calculated using April 2024's figures multiplied by the applicable CPI increases during that period. Licensee shall pay any assessment based upon such reasonable projections by Parks or the Comptroller within fifteen (15) days after receipt thereof, and the failure to do so shall constitute an additional substantial violation of this License and a default hereunder.

4.9 In the event Parks reasonably determines that Licensee or Licensee's employees, agents, sub-licensees, or subcontractors have breached any of the provisions contained in this Article 4, Licensee may be subject to a charge of Five Hundred Dollars (\$500) with respect to each incident of breach as liquidated damages, provided that Licensee has been given reasonable notice of such breach and has failed to cure within thirty (30) days of such notice.

4.10 License fees shall be made payable to the City of New York Department of Parks & Recreation and delivered or mailed in time to arrive by the due date at the following address:

City of New York Department of Parks & Recreation
Revenue Division
The Arsenal - Room 407
830 Fifth Avenue
New York, NY 10065

5. RIGHT TO AUDIT

5.1 (a) Parks, the Comptroller and other duly authorized representatives of the City shall have the right to examine or audit the records, books of account and data of the Licensee for the purpose of examination, audit, review or any purpose they deem necessary. Licensee shall also permit the inspection by Parks, Comptroller or other duly authorized representatives of the City of any equipment used by Licensee, including, but not limited to, cash registers and recording machines, and all reports or data generated from or by the equipment. Licensee shall cooperate fully and assist Parks, the Comptroller or any other duly authorized representative of the City in any examination or audit thereof. In the event that the Licensee's books and records, including supporting documentation, are situated at a location fifty (50) miles or more from the - the City, the records must be brought to the City for examination and audit or Licensee must pay the food, board and travel costs incidental to two (2) auditors conducting such examination or audit at said location.

(b) At Parks request, Licensee shall engage in the use of an auditor from the list of prequalified auditors ("PQL"), maintained by the Comptroller ("PQL") pursuant to Procurement Policy Board ("PPB") Rule § 3-10(k), at Licensee's sole cost and expense.

5.2 The failure or refusal of the Licensee to permit Parks, the Comptroller or any other duly authorized representative of the City to audit and examine the Licensee's records, books of account and data or the interference in any way by the Licensee in such an audit or examination is presumed to be a failure to substantially comply with the terms and

conditions of this License and a default hereunder which shall entitle Parks to terminate this License.

5.3 Notwithstanding the foregoing, the parties hereto acknowledge and agree that the powers, duties, and obligations of the Comptroller pursuant to the provisions of the New York City Charter shall not be diminished, compromised, or abridged in any way.

6. CAPITAL IMPROVEMENTS

6.1 (a) Licensee shall expend or cause to be expended during the Construction Period and Term of this License a minimum of \$2,208,341 (Two million two hundred and eight thousand and three hundred forty-one dollars) for Capital Improvements as defined in Section 2.1(b) herein. Notwithstanding anything to the contrary contained herein, and upon providing invoices for the equipment or materials (or otherwise justifying the values), such amounts will be applied toward the minimum required for Capital Improvements. The architectural and design fees necessary to implement the Capital Improvements shall be included in the foregoing amount, but not the Design Review Fee referenced in Section 6.2 herein. Such Capital Improvements shall include, but are not limited to, the items listed in the Schedule of Capital Improvements attached hereto as **Exhibit D**. Licensee shall perform and complete all such Capital Improvements in accordance with designs and plans approved by Parks and other government agencies having jurisdiction. If, for reasons outside the control of Licensee, Licensee does not receive approval for any and all permits from Parks or any other agency of the City of New York (provided that in each case the party applying for any such permit or approval has submitted a complete application for, and has made diligent and good faith efforts to comply with all conditions of the governmental agency granting such, permits or approvals) or if Licensee does not receive approval from ConEdison, Licensee and Parks shall work together to revise the plan for Capital Improvements. Notwithstanding the foregoing, Licensee is permitted to make additional Capital Improvements, provided, however, Licensee first obtains the express written consent of the Commissioner, which shall not be unreasonably withheld. All Additional Fixed Equipment and Expendable Equipment applied toward the Capital Improvements required in this Article shall become the property of Parks upon installation, at Parks' option.

(b) Licensee must provide Americans with Disabilities Act ("ADA") accessibility as required by prevailing code throughout the Licensed Premises, including, but not limited to, installing ADA accessible service counters at the Snack Bar, installing ramps, as needed, and providing ADA signage. Licensee shall comply with all City, State, and Federal requirements to provide safe and accessible recreational opportunities for everyone, including persons with disabilities. Licensee is encouraged to exceed accessibility requirements whenever possible and not simply provide the minimum level required.

(c) The Licensed Premises is located within the 100-year flood zone as defined by the Federal Emergency Management Administration ("FEMA"). Accordingly, Licensee shall, at a minimum, comply with the updated building codes to strengthen requirements for new; and substantially improved buildings pursuant to Department of City Planning's comprehensive analysis of retrofitting buildings in floodplain and NYC

Building Code and any other applicable City, State or Federal laws, rules, regulations, or codes.

6.2 (a) At Parks' discretion, Licensee may be required to provide a construction security deposit, in an amount and format approved by Parks, to ensure that all Capital Improvements are completed. If required, this security deposit, preferably in the form of a letter of credit, must be in place before any Capital Improvement commences.

(b) Upon affixing its signature to this License Agreement, Licensee shall pay to the City the amount of \$22,083 representing one percent (1%) of the cost of the minimum guaranteed Capital Improvements described in Section 6.1 above, as a fee for design review by Parks personnel (the "Design Review Fee").

(c) To guarantee prompt payment of moneys due to a contractor or his or her subcontractors and to all persons furnishing labor and materials to the contractor or his or her subcontractors in the prosecution of any Capital Improvement Project, or performance of new construction on site but not including repairs, with an estimated cost exceeding Two Hundred Fifty Thousand Dollars (\$250,000), Licensee shall post a payment bond or other form of undertaking approved by Parks in the amount of one hundred percent (100%) of the cost of such Capital Improvement Project before commencing such work. Such bond or other undertaking shall be in a form acceptable to Parks. For purposes of this provision, a "Capital Improvement Project" shall mean a set of Capital Improvements that are reasonably related in time and purpose as determined by Parks in its sole discretion. In the event that Licensee does not post or cause to be posted a payment bond as required hereunder, the following undertaking will satisfy the requirements of this Section 6.2(c); (i) Licensee guarantees payment in accordance with the provisions of **Exhibit G**, attached hereto and made a part hereof; and (ii) Licensee causes payment bonds to be posted by all contractors of Licensee and their subcontractors guaranteeing prompt payment of monies due to all person furnishing labor or materials to such contractors or subcontractors in the prosecution of the Capital Improvement Project.

6.3 The total cost of the Capital Improvements shall be determined by the Commissioner based upon construction documents, invoices, labor time sheets, canceled checks, credit card receipts, bank statements, and such other supporting documents or other data as the Commissioner may reasonably require. Expenditures for ordinary repairs and maintenance shall not be considered Capital Improvements; however, expenditures for Capital Improvements reflected in **Exhibit D** shall be included in the total cost in addition to architectural/engineering fees incurred by the Licensee. In making the determination of the total cost of Capital Improvements, Commissioner may request any information Commissioner reasonably believes would be helpful to make such a determination. Licensee shall forward such information to the Commissioner upon Commissioner's request. Licensee shall spend or cause to be expended the entire amount required to complete the Capital Improvements described in Section 6.1, including any amount needed above any estimated cost shown. If Licensee performs all Capital Improvements for less than the amount listed in Section 6.1, any excess monies shall be remitted to City as additional license fees within thirty (30) days following Commissioner's determination of Final Completion. If Licensee fails to expend the amount

listed in Section 6.1 herein by the date of expiration or sooner termination of this License, the City may also require any unexpended monies to be remitted to the City as additional License fees. Parks reserves the right to determine whether certain repairs and material purchases can be accepted as Capital Improvements.

6.4 Licensee shall proceed in good faith and with due diligence to complete all necessary Capital Improvements in accordance with the schedule set forth in **Exhibit D**. Licensee shall complete or cause to be completed all Capital Improvements so that the services to the public contemplated herein may commence and continue, unless such work cannot be completed due to circumstances beyond the control of Licensee as determined by the Commissioner, including acts of God, war, enemies or hostile government actions, revolutions, insurrection, riots, civil commotion, strikes, fire or other casualty. In such situations, the Licensee shall propose for the Commissioner's approval (which shall not be unreasonably withheld) a revised completion schedule and if approved, Licensee shall complete such Capital Improvements in accordance with such approved revised schedule. In the event Licensee fails to Finally Complete a particular improvement by the date specified for completion in **Exhibit D**, Licensee may be required to pay the City liquidated damages of One Hundred Dollars (\$100) per day until the outstanding improvement is completed, provided that such failure is not the result of delay by Parks or any City, State, or Federal permitting authority and provided further that Parks has given Licensee a notice to cure such failure to complete and Licensee has failed to cure within the period specified in such notice. In the event of any delay by Parks or any City, state, or federal permitting authority, the date specified for completion of the item affected by the delay shall be adjusted to reflect the duration of such delay. Licensee's failure to comply with the schedule for Capital Improvements for a period of thirty (30) days following written notice shall constitute a default upon which Commissioner may terminate this License Agreement by giving thirty (30) days' written notice. In the event of unforeseen circumstances that could not have been reasonably anticipated affecting construction conditions at the Licensed Premises, Parks and Licensee shall attempt in good faith to negotiate a mutually acceptable solution, provided that in no event shall Licensee expend or cause to be expended less than \$2,208,341 (Two million two hundred and eight thousand and three hundred forty one dollars for Capital Improvements.

6.5 Licensee shall pay all applicable fees and shall submit to Parks, the New York City Department of Buildings ("DOB"), the New York City Department of Small Business Services ("SBS"), the New York City Public Design Commission, and all other agencies having jurisdiction, for prior written approval, all designs, plans, specifications, schematics, working and mechanical drawings, which shall be signed and sealed by a registered architect or licensed professional engineer, who will oversee the entire construction project. Licensee shall submit the architect's or engineer's qualifications to Parks for prior written approval. All designs, plans, specifications, schematics, and working and mechanical drawings shall be in such detail as Parks shall require. Licensee is required to provide Parks with all plans and specifications upon completion of the construction documents. All necessary permits and approvals for capital work must be obtained from DOB or SBS and all other agencies with jurisdiction, including, but not limited to, obtaining a construction permit, Certificate of Occupancy, or Certificate of Completion, public assembly permit and letters of no objection, as needed. All designs, outdoor signage, capital work and construction will require prior written approval from

Parks, the Public Design Commission of the City of New York, the New York State Historic Preservation Office, the New York City Landmarks Preservation Commission (if applicable), DOB, SBS and any other agency having jurisdiction. All designs, capital work, and construction shall be prepared by licensed architects or engineers and will require prior written approval from Parks. All work shall be undertaken in accordance with the plans, specifications, schematics, and working and mechanical drawings approved in writing in advance by Parks. The supervising architect or engineer is required to ensure that all construction conforms to the plans approved by Parks. No Capital Improvement shall be deemed Finally Completed until the Commissioner certifies in writing that the Capital Improvement has been completed to Commissioner's satisfaction. The Commissioner's determination as to whether the Capital Improvements are Finally Complete shall not be unreasonably delayed.

6.6 At Parks' request, Licensee shall provide Parks with one (1) complete set of final, approved "AS-DESIGNED" plans in a format acceptable to Parks. Acceptable manual drafting methods include ink or plastic film pencil. Right reading fixed line photo on 4-millimeter Mylar may be substituted for original drawings. If the fixed line photo process is used, the resultant film negative must be submitted with the drawings. CADD-generated drawings must be printed right-reading with either a pen or ink jet plotter. Drawings produced by diazo, electrostatic (i.e., Xerographic), laser, copy press (i.e., OCE), or other means utilizing toner will not be accepted. All "AS-DESIGNED" drawings submitted must be so labeled. Each drawing shall contain the name, address and telephone number of the Architect/Engineer and the Contractor. Each drawing shall also include the Parks property number, Block and Lot numbers for the Parks facility in which the work was performed, and, if applicable, the DOB approval/application number.

6.7 For any Capital Improvements commenced under this License, Licensee shall apply for applicable licenses from Parks' Revenue Division prior to commencement of work. Licensee shall commence Capital Improvements only after the issuance of a construction license from Parks and a building permit issued by the DOB, insofar as it has jurisdiction over Capital Improvements. Licensee shall also, prior to commencing work, obtain all other necessary governmental approvals, permits, and licenses. Licensee will also be responsible for obtaining, amending and complying with the Certificate of Occupancy or letter of no objection as required, public assembly permits, Department of Health and Mental Hygiene ("DOHMH") permits, fire department certificates and all other permits and approvals including, but not limited to, SBS, New York City Department of Environmental Protection ("DEP"), New York State Department of Environmental Conservation ("DEC"), New York State Historic Preservation Office, New York City Landmarks Preservation Commission and/or other government agency approvals and permits necessary for any alterations to the existing premises. Licensee shall notify Commissioner of the specific date on which construction shall begin.

6.8 Licensee shall perform all Capital Improvements in accordance with all Federal, State and City laws, rules, regulations, orders, and industry standards, and with materials as set forth in the approved plans, specifications, schematics, working and mechanical drawings. All equipment and materials installed as part of the Capital Improvements shall be new or like-new (provided that Licensee may use high-end recycled materials to the extent consistent with its trade dress and the brand design, including without limitation,

use of reclaimed wood), free of defects, of high grade and quality, suitable for the purpose intended and furnished in ample quantities to prevent delays. If available, Licensee shall obtain, in Licensee's name, all manufacturer's warranties and guarantees for all such equipment and materials included in its Capital Improvements, as applicable. Licensee shall assign to the City all guarantees and other warranties with respect to any portion of the Licensee's Capital Improvements when and if, as set forth in this License Agreement, the City exercises its option to take title to such equipment and materials, as may be requested by the City from time to time. Licensee shall execute and deliver to the City any documents reasonably requested by the City in order to enable the City to enforce such guarantees and warranties or exercise other rights or remedies. All of the City's rights and title and interest in and to said manufacturers' warranties and guarantees may be assigned by the City to any subsequent licensees of the Licensed Premises.

6.9 As required by Section 24-216 of the New York City Administrative Code, devices and activities which will be operated, conducted, constructed or manufactured pursuant to this License and which are subject to the provisions of the New York City Noise Control Code (the "Code") shall be operated, conducted, constructed or manufactured without causing a violation of such Code. Such devices and activities shall incorporate advances in the art of noise control developed for the kind and level of noise emitted or produced by such devices and activities, in accordance with regulations issued pursuant to Federal, State, and City laws, rules, regulations and orders.

6.10 Unless otherwise provided, Licensee shall choose the means and methods of completing the Capital Improvements unless Commissioner reasonably determines that such means and methods constitute or create a hazard to the Capital Improvements or to persons or property or will not produce finished Capital Improvements.

6.11 No temporary storage or other ancillary structures and staging areas may be erected and maintained on the Licensed Premises without Parks' prior written approval.

6.12 Licensee is prohibited from cutting down, pruning or removing any trees on the Licensed Premises without prior written approval from Parks. Any attachments to the trees, such as lights, will not be permitted. Licensee shall report dead and diseased trees to Parks and upon Parks' request, Licensee will remove them.

6.13 During performance of the Capital Improvements and up to the date of Final Completion, Licensee shall be responsible for the protection of the finished and unfinished Capital Improvements against any damage, loss, or injury. In the event of such damage, loss, or injury, Licensee shall promptly replace or repair such Capital Improvements at its sole cost and expense.

6.14 Licensee shall provide written notice to Commissioner when it believes that the Capital Improvements are Substantially Completed. After receiving such notice, Commissioner shall inspect such Capital Improvements within thirty (30) days. After such inspection, Commissioner and Licensee shall jointly develop a single final list of incomplete and outstanding items incorporating all findings from such inspection concerning all work not completed to the satisfaction of the Commissioner. Licensee

shall proceed with diligence to complete all items on that list within a reasonable time as determined by the Commissioner.

6.15 Licensee, within three (3) months of Substantial Completion, shall furnish the Commissioner with a certified statement, issued by Licensee, detailing the actual costs of construction. Accompanying such statement shall be construction documents, bills, invoices, labor time books, accounts payable, daily reports, bank deposit books, bank statements, checkbooks and canceled checks. Licensee shall maintain accurate books and records of account of construction costs, which shall be segregated from other accounts, and shall itemize and specify those costs attributable to the Licensed Premises to permit audit by Parks or the New York City Comptroller upon request.

6.16 Licensee shall provide Parks with discharges for any and all liens which may be filed or levied against the Capital Improvements during construction of such improvements. Licensee shall use its best efforts to discharge such liens within thirty (30) business days of receipt of lien by Licensee.

6.17 Licensee shall promptly repair, replace, restore, or rebuild, as the Commissioner reasonably may determine, items of Capital Improvements in which defects in materials, workmanship or design may appear or to which damages may occur because of such defects, during the one (1) year period subsequent to the date of the Final Completion of such Capital Improvements. Failure to comply with this Section 6.17 shall constitute a default and may result in the termination of this License.

6.18 Neither Parks, nor the City, nor the agencies, officers, agents, employees, or assigns thereof, shall be bound, precluded, or estopped by any determination, decision, approval, order, letter, payment or certificate made or given under or in connection with this License by the City, the Commissioner, or any other officer, agent, or employee of the City, before the Final Completion and acceptance of the Capital Improvements, from showing that the Capital Improvements or any part thereof do not in fact conform to the requirements of this License and from demanding and recovering from the Licensee such damages as Parks or the City may sustain by reason of Licensee's failure to perform each and every part of this License in accordance with its terms, unless such determination, decision, approval, order, letter, payment or certificate shall be made pursuant to a specific waiver of this Section 6.18 signed by the Commissioner or Commissioner's authorized representative.

6.19 Upon installation, title to all construction, renovation, improvements, and fixtures made to the Licensed Premises as well as to all furnishings, finishes, and equipment accepted by Parks as Capital Improvements shall vest in and thereafter belong to the City at the City's option, which may be exercised at any time after the Substantial Completion of their construction, renovation, improvement, affixing, placement or installation. To the extent the City chooses not to exercise its option with respect to any of the construction, renovation, improvements, equipment or fixtures made to the Licensed Premises, it shall be the responsibility of Licensee, at the termination or expiration of this License, to remove such equipment and restore the Licensed Premises to the satisfaction of the Commissioner at the sole cost and expense of the Licensee. However, Licensee shall not

under any circumstances be required to remove heating, plumbing, air conditioning, electrical wiring, elevators, windows and ventilation fixtures.

6.20 Prior to the commencement of any construction, Licensee shall have an asbestos inspection performed on the existing structures at the Licensed Premises to the extent required by DOB or other applicable authority. In the event that asbestos removal is deemed necessary, Licensee will remove the asbestos, at its sole cost and expense, according to City, State, and Federal regulations. Licensee's costs of asbestos removal, if any, shall be credited toward Licensee's Capital Improvement cost.

7. ALTERATIONS

7.1 (a) Licensee may alter the Licensed Premises only in accordance with the requirements of subsection (b) of this Article. Alterations shall become property of the City, at its option, upon their attachment, installation or affixing.

(b) In order to alter Licensed Premises, Licensee must:

(i) Obtain Commissioner's written approval (which shall not be unreasonably withheld) for whatever designs, plans, specifications, cost estimates, agreements and contractual understandings may pertain to contemplated purchases and/or work;

Licensee shall cooperate with Parks in connection with Parks' Special Events and unanticipated events and emergencies at the Licensed Premises. Commissioner represents to Licensee that the Commissioner has not, as of the date hereof, granted to any other person or entity any license, permit, or right of possession or use which would prevent in any way Licensee from performing its obligations and realizing its rights under this License. It is expressly understood that this Article shall in no way limit Parks' right to sponsor or promote Parks' Special Events, as defined herein, at the Licensed Premises, or to enter into agreements with third parties to sponsor or promote such events, provided that Parks will use its reasonable efforts to ensure that such third parties will be responsible for maintenance and clean-up associated with any such Parks' Special Event.

(a) Should Licensee choose to assign or sublicense the management and operation of any element of the Licensed Premises to another party, Licensee shall seek the approval of the Commissioner by submitting a written request including proposed assignment documents or sublicense as provided herein. The Commissioner may request any additional information the Commissioner deems necessary, and Licensee shall promptly comply with such requests.

(b) The term "assignment" shall be deemed to include any direct or indirect assignment, sublet, sale, pledge, mortgage, transfer of or change in ten percent (10%) or more in the stock or voting control of or interest in Licensee, including any transfer by operation of law. No sale or transfer of the stock of or interest in Licensee or its nominee may be made under any circumstance if such sale or transfer will result in a change of control of Licensee violative of the intent of this Article.

14.2 No assignment or other transfer of any interest in this License Agreement shall be permitted which, alone or in combination with other prior or simultaneous transfers or assignments, would have the effect of changing the ownership or control, whether direct or indirect, of ten percent (10%) or more of the stock or voting control of Licensee in the Licensed Premises without the prior written consent of Commissioner. Licensee shall present to Commissioner the assignment or sublicense agreement for approval, together with any and all information as may be required by the City for such approval, including a statement prepared by a certified public accountant stating the financial net worth of the proposed assignee or sublicensee, and a certification from the proposed assignee or sublicensee that its financial net worth is sufficient to comply with Licensee's obligations under this License Agreement, and a certification from the proposed assignee or sublicensee that it shall provide management control acceptable to the Commissioner for the management and operation of the Licensed Premises. The constraints contained herein are intended to assure the City that the Licensed Premises are operated by persons, firms and corporations which are experienced and reputable operators and are not intended to diminish Licensee's interest in the Licensed Premises. Parks reserves

the right to require payment of a reasonable transfer fee as a condition of the granting of any required consent or approval.

14.3 No consent to or approval of any assignment or sub-licensee granted pursuant to this Article shall constitute consent to or approval of any subsequent assignment or sublicense. Failure to comply with this provision shall cause the immediate termination of this License.

14.4 In the event that Parks authorizes Licensee to enter into a sublicense for operations at the Licensed Premises, the terms and conditions of any such sublicense shall be subject to the prior written approval of Parks. Any such sublicense which is authorized hereunder shall be subject and subordinate to the terms and conditions of this License and Licensee shall require the sublicensee to acknowledge in writing that it received a copy of this License and that it is bound by same. All provisions of this License applicable to Licensee with respect to the renovation, operation and maintenance of the Licensed Premises shall be equally applicable to any sublicensee. Licensee shall require any sublicensee to agree in writing that it will comply with Parks' directives and the provisions of this License applicable to Licensee with respect to the renovation, operation, and maintenance of the Licensed Premises, including, but not limited to, obtaining insurance required of Licensee under this License Agreement and indemnifying the City as set forth in Article 19 herein, and shall be responsible for assuring such compliance. If any sublicensee does not comply with this License insofar as applicable to it, Parks may direct Licensee to terminate that sublicensee's operations. No sublicense may be assigned without the prior written consent of Parks. Any subsequent sublicense agreement(s) will be subject to the terms and conditions as set forth in this License.

14.5 Licensee and proposed assignee/transferee shall comply with all applicable PASSPort procedures in connection with any such assignment/transfer.

15. PARKS CONSTRUCTION

15.1 Parks reserves the right to perform safety, maintenance or construction work deemed necessary by Commissioner in the Commissioner's sole discretion at or throughout the Licensed Premises at any time during the Construction Period and Term. Licensee agrees to cooperate with Parks to accommodate any such work by Parks and provide public and construction access through the Licensed Premises as deemed necessary by the Commissioner. Parks shall use its reasonable efforts to give Licensee at least one (1) week notice of any such work and not to interfere substantially with Licensee's operations or use of the Licensed Premises. Parks may temporarily close a part, or all of the Licensed Premises for a Parks purpose as determined by the Commissioner. In the event that Licensee must close the Licensed Premises (a determination by Licensee, in consultation with Parks, that Licensee cannot substantially operate its business in the Licensed Premises) for the purposes provided for in this License because of such Parks' work, then Licensee may propose and submit for the Commissioner's approval a plan to equitably address the impact of the closure, including but not limited to a suspension of all financial obligations of this License. Licensee shall be responsible for security of all Licensee's property on the Licensed Premises at all times. Parks shall be solely responsible for claims, damages, or injury resulting from its

work hereunder, except to the extent such claims, damages and injury (including death) are caused by the negligence or intentional tortious act or omission of Licensee.

16. COMPLIANCE WITH LAWS

16.1 Licensee shall comply and cause its employees and agents to comply with all laws, rules, regulations, and orders now or hereafter prescribed by Commissioner, and to comply with all laws, rules, regulations and orders of any City, State or Federal agency or governmental entity having jurisdiction over operations of the License and the Licensed Premises and/or Licensee's use and occupation thereof.

16.2 Licensee shall not use or allow the Licensed Premises, or any portion thereof, to be used or occupied for any unlawful purpose or in any manner violative of a certificate pertaining to occupancy or use during the Construction Period and Term of this License.

17. NON-DISCRIMINATION

17.1 Licensee shall not unlawfully discriminate against any employee, applicant for employment or patron because of race, creed, color, national origin, age, sex, handicap, marital status, or sexual orientation. Licensee shall comply with the ADA and regulations pertaining thereto as applicable. Any violation of this Article shall be a material breach of this License.

17.2 All advertising for employment shall indicate that Licensee is an Equal Opportunity Employer.

18. NO WAIVER OF RIGHTS

18.1 No acceptance by Commissioner of any compensation, fees, penalty sums, charges, or other payments in whole or in part for any periods after a default of any terms and conditions herein shall be deemed a waiver of any right on the part of Commissioner to terminate this License. No waiver by Commissioner of any default on the part of Licensee in the performance of any of the terms and conditions herein shall be construed to be a waiver of any other or subsequent default in the performance of any of the said terms and conditions.

19. RESPONSIBILITY FOR SAFETY, INJURIES OR DAMAGE, AND INDEMNIFICATION

19.1 Licensee Responsibility

(a) The Licensee shall be solely responsible for the safety and protection of its employees, agents, servants, sublicensees, contractors, and subcontractors, and for the safety and protection of the employees, agents, or servants of its contractors, sublicensees, or subcontractors.

(b) The Licensee shall be solely responsible for taking all reasonable precautions to protect the persons and property of the City or others from damage, loss or injury resulting from any and all operations under this License.

(c) The Licensee shall be solely responsible for injuries to any and all persons, including death, and damage to any and all property arising out of or related to the operations under this License, whether or not due to the negligence of the Licensee, including but not limited to injuries or damages resulting from the acts or omissions of any of its employees, agents, servants, sublicensees, contractors, subcontractors, or any other person.

(d) The Licensee shall use the Premises in compliance with, and shall not cause or permit the Premises to be used in violation of, any and all federal, state or local environmental, health and/or safety-related laws, regulations, standards, decisions of the courts, permits or permit conditions, currently existing or as amended or adapted in the future which are or become applicable to the Licensee or the Premises (collectively "Environmental Laws"). Except as may be agreed by the City as part of this License, Licensee shall not cause or permit, or allow any of the Licensee's personnel to cause or permit, any Hazardous Materials to be brought upon, stored, used, generated, treated or disposed of on the Premises. As used herein, "Hazardous Materials" means any chemical, substance or material which is now or becomes in the future listed, defined, or regulated in any manner by any Environmental Law based upon, directly or indirectly, its properties or effects.

19.2 Indemnification and Related Obligations

(a) To the fullest extent permitted by law, the Licensee shall indemnify, defend and hold the City and its officials and employees harmless against any and all claims, liens, demands, judgments, penalties, fines, liabilities, settlements, damages, costs and expenses of whatever kind or nature (including, without limitation, attorneys' fees and disbursements) arising out of or related to any of the operations under this License (regardless of whether or not the Licensee itself has been negligent) and/or the Licensee's failure to comply with the law or any of the requirements of this License. Insofar as the facts or law relating to any of the foregoing would preclude the City and its officials and employees from being completely indemnified by the Licensee, the City and its officials and employees shall be partially indemnified by the Licensee to the fullest extent permitted by law.

(b) The Licensee's obligation to defend, indemnify and hold the City and its officials and employees harmless shall not be (i) limited in any way by the Licensee's obligations to obtain and maintain insurance under this License, nor (ii) adversely affected by any failure on the part of the City or its officials and employees to avail themselves of the benefits of such insurance.

20. INSURANCE

20.1 Licensee's Obligation to Insure

(a) From the date this License is executed through the date of its expiration or termination, the Licensee shall ensure that the types of insurance indicated in this Article are obtained and remain in force, and that such insurance adheres to all requirements

Such insurance shall provide full Replacement Cost coverage for the Concession Structures (without depreciation or obsolescence clause) and include, without limitation, coverage for loss or damage by acts of terrorism, water (other than flood-related), wind, subsidence and earthquake. Such insurance shall be "occurrence" (rather than "claims-made") based and shall designate the Licensee as Named Insured and the City as Additional Insured and Loss Payee as its interests may appear.

If such insurance contains an aggregate limit, it shall apply separately to the Concession Structures.

(c) In the event of any loss to any of the Concession Structures, the Licensee shall provide the insurance company that issued such property insurance with prompt, complete and timely notice, and simultaneously provide the Commissioner with a copy of such notice. With regard to any Concession Structure that the City owns or in which the City has an interest, the Licensee shall also (i) take all appropriate actions in a timely manner to adjust such claim on terms that provide the City with the maximum possible payment for the loss, and (ii) either provide the City with the opportunity to participate in any negotiations with the insurer regarding adjustments for claims or, at the Commissioner's discretion, allow the City itself to adjust such claim.

All such Certificates of Insurance shall be accompanied by either a duly executed "Certification by Insurance Broker or Agent" in the form required by the Commissioner, attached hereto as **Exhibit F** or as otherwise required by the Commissioner, or certified copies of all policies referenced in such Certificate of Insurance.

(d) Certificates of Insurance confirming renewals of insurance shall be submitted to the Commissioner prior to the expiration date of coverage of all policies required under this License. Such Certificates of Insurance shall comply with subsections (b) and (c) directly above.

(e) Acceptance or approval by the Commissioner of a Certificate of Insurance or any other matter does not waive Licensee's obligation to ensure that insurance fully consistent with the requirements of this Article is secured and maintained, nor does it waive Licensee's liability for its failure to do so.

(f) The Licensee shall promptly provide the City with a copy of any policy of insurance required under this Article upon request by the Commissioner or the New York City Law Department.

20.12 Miscellaneous

(a) The Licensee may satisfy its insurance obligations under this Article through primary policies or a combination of primary and excess/umbrella policies, so long as all policies provide the scope of coverage required herein.

(b) Licensee shall require its construction contractors that perform construction on the Licensed Premises to maintain Commercial General Liability Insurance in accordance with Section 20.2, and such insurance shall include the City, including its officials and employees, as Additional Insureds with coverage at least as broad as ISO Forms CG 20 26 and CG 20 37. In the event the Licensee requires any other entity, by contract or otherwise, to procure insurance with regard to any operations under this License and requires such entity to name the Licensee as an Additional Insured under such insurance, the Licensee shall ensure that such entity also name the City, including its officials and employees, as Additional Insureds (with coverage for Commercial General Liability insurance at least as broad as ISO form CG 20 26).

(c) The Licensee shall be solely responsible for the payment of all premiums for all policies and all deductibles to which they are subject, whether or not the City is an insured under the policy.

(d) Where notice of loss, damage, occurrence, accident, claim, or suit is required under a policy maintained in accordance with this Article, the Licensee shall notify in writing all insurance carriers that issued potentially responsive policies of any such event relating to any operations under this License (including notice to Commercial General Liability insurance carriers for events relating to the Licensee's own employees) no later than 20 days after such event, or sooner if required by the insurance policy. For any policy where the City is an Additional Insured, such notice shall expressly specify that "this notice is being given on behalf of the City of New York as Insured as well as the Named Insured." Such notice shall also contain the following information: the number of the insurance policy, the name of the named insured, the date and location of the damage, occurrence, or accident, and the identity of the persons or things injured, damaged or lost. The Licensee shall simultaneously send a copy of such notice to the City of New York c/o Insurance Claims Specialist, Affirmative Litigation Division, New York City Law Department, 100 Church Street, New York, New York 10007.

(e) The Licensee's failure to secure and maintain insurance in complete conformity with this Article, or to give the insurance carrier timely notice on behalf of the City, or to do anything else required by this Article shall constitute a material breach of this License. Such breach shall not be waived or otherwise excused by any action or inaction by the City at any time.

(f) Insurance coverage in the minimum amounts provided for in this Article

shall not relieve the Licensee of any liability under this License, nor shall it preclude the City from exercising any rights or taking such other actions as are available to it under any other provisions of this License or the law.

(g) In the event of any loss, accident, claim, action, or other event that does or can give rise to a claim under any insurance policy required under this Article, the Licensee shall at all times fully cooperate with the City with regard to such potential or actual claim.

(h) Apart from damages or losses covered by Workers' Compensation Insurance, Employers Liability Insurance, Disability Benefits Insurance, or Commercial Automobile Insurance, the Licensee waives all rights against the City, including its officials and employees, for any damages or losses that are covered under any insurance required under this Article (whether or not such insurance is actually procured or claims are paid thereunder) or any other insurance applicable to the operations of the Licensee and/or its employees, agents, or servants of its contractors or subcontractors.

(i) In the event the Licensee receives notice, from an insurance company or other person, that any insurance policy required under this Article shall expire or be cancelled or terminated (or has expired or been cancelled or terminated) for any reason, the Licensee shall immediately forward a copy of such notice to both the Commissioner, City of New York Department of Parks and Recreation, Arsenal, 830 Fifth Avenue, New York, NY 10065, and the New York City Comptroller, attn: Office of Contract Administration, Municipal Building, One Centre Street, Room 1005, New York, New York 10007. Notwithstanding the foregoing, the Licensee shall ensure that there is no interruption in any of the insurance coverage required under this Article.

21. WAIVER OF COMPENSATION

21.1 Licensee hereby expressly waives any and all claims for compensation for any and all loss or damage sustained by reason of any defects, including, but not limited to, deficiency or impairment of the water supply system, gas mains, electrical apparatus or wires furnished for the Licensed Premises, or by reason of any loss of any gas supply, water supply, heat or current which may occur from time to time, or for any loss resulting from fire, water, windstorm, tornado, explosion, civil commotion, strike or riot, and Licensee hereby expressly releases and discharges Commissioner, Commissioner's agents, and City from any and all demands, claims, actions, and causes of action arising from any of the causes aforesaid.

21.2 Licensee further expressly waives any and all claims for compensation, loss of profit, or refund of its investment, if any, or any other payment whatsoever, in the event this License is terminated by Commissioner sooner than the fixed term because the Licensed Premises are required for any park or other public purpose, or because the License was terminated or revoked for any reason as provided herein.

22. INVESTIGATIONS

22.1 (a) The parties to this License shall cooperate fully and faithfully with any investigation, audit or inquiry conducted by a State of New York (hereinafter "State") or

City governmental agency or authority that is empowered directly or by designation to compel the attendance of witnesses and to examine witnesses under oath, or conducted by the Inspector General of a governmental agency that is a party in interest to the transaction, submitted bid, submitted proposal, contract, lease, permit, or license that is the subject of the investigation, audit or inquiry.

(b) (i) If any person who has been advised that his or her statement, and any information from such statement, will not be used against him or her in any subsequent criminal proceeding refuses to testify before a grand jury or other governmental agency or authority empowered directly or by designation to compel the attendance of witnesses and to examine witnesses under oath concerning the award of or performance under any transaction, agreement, lease, permit, contract, or license entered into with the City, the State, or any political subdivision or public authority thereof, or the Port Authority of New York and New Jersey, or any local development corporation within the City, or any public benefit corporation organized under the laws of the State of New York; or

(A) The Commissioner or agency head whose agency is a party in interest to the transaction, submitted bid, submitted proposal, contract, lease, permit, or license shall convene a hearing, upon not less than five days written notice to the parties involved to determine if any penalties should attach for the failure of any person to testify.

(B) If any non-governmental party to the hearing requests an adjournment, the Commissioner or agency head who convened the hearing may, upon granting the adjournment, suspend any contract, lease, permit, or license pending the final determination pursuant to Section 22(d) below without the City incurring any penalty or damages for delay or otherwise.

(c) The penalties which may attach after a final determination by the Commissioner or agency head may include but shall not exceed:

(i) The disqualification for a period not to exceed five years from the date of an adverse determination of any person or entity of which such person was a member at the time the testimony was sought, from submitting bids for, or transacting business with, or entering into or obtaining any contract, lease, permit or license with or from the City; and/or

(ii) The cancellation or termination of any and all existing City contracts, leases, permits, or licenses that the refusal to testify concerns and that have not been

assigned as permitted under this License, nor the proceeds of which pledged, to an unaffiliated and unrelated institutional lender for fair value prior to the issuance of the notice scheduling the hearing, without the City incurring any penalty or damages on account of such cancellation or termination; monies lawfully due for goods delivered, work done, rentals, or fees accrued prior to the cancellation or termination shall be paid by the City.

(d) The Commissioner or agency head shall consider and address in reaching his or her determination and in assessing an appropriate penalty the factors in Section 22(d) (i) and (ii) below. He or she may also consider, if relevant and appropriate, the criteria established in Sections 22(d) (iii) and (iv) below in addition to any other information which may be relevant and appropriate.

(i) The party's good faith endeavors or lack thereof to cooperate fully and faithfully with any governmental investigation or audit, including but not limited to the discipline, discharge, or disassociation of any person failing to testify, the production of accurate and complete books and records, and the forthcoming testimony of all other members, agents, assignees or fiduciaries whose testimony is sought.

(ii) The relationship of the person who refused to testify to any entity that is a party to the hearing, including, but not limited to, whether the person whose testimony is sought has an ownership interest in the entity and/or the degree of authority and responsibility the person has within the entity.

(iii) The nexus of the testimony sought to the subject entity and its contracts, leases, permits or licenses with the City.

(iv) The effect a penalty may have on an unaffiliated and unrelated party or entity that has a significant interest in an entity subject to penalties under (c) above, provided that the party or entity has given actual notice to the Commissioner or agency head upon the acquisition of the interest, or at the hearing called for in (b) (ii)(A) above gives notice and proves that such interest was previously acquired. Under either circumstance the party or entity must present evidence at the hearing demonstrating the potentially adverse impact a penalty will have on such person or entity.

(e) (i) The term "license" or "permit" as used herein shall be defined as a license, permit, franchise or concession not granted as a matter of right.

(ii) The term "person" as used herein shall be defined as any natural person doing business alone or associated with another person or entity as a partner, director, officer, principal or employee.

(iii) The term "entity" as used herein shall be defined as any firm, partnership, corporation, association, or person that receives monies, benefits, licenses, leases, or permits from or through the City or otherwise transacts business with the City.

(iv) The term “member” as used herein shall be defined as any person associated with another person or entity as a partner, director, officer, principal or employee.

(f) In addition to and notwithstanding any other provision of this License the Commissioner or agency head may in his or her sole discretion terminate this License Agreement upon not less than three days written notice in the event Licensee fails to promptly report in writing to the Commissioner of Investigation of the City of New York any solicitation of money goods requests for future employment or other benefit or thing of value, by or on behalf of any employee of the City of other person, firm, corporation or entity for any purpose which may be related to the procurement or obtaining of this agreement by the Licensee, or affecting the performance or this License Agreement.

23. CHOICE OF LAW, CONSENT TO JURISDICTION AND VENUE

23.1 This License Agreement shall be deemed to be executed in the City of New York, State of New York, regardless of the domicile of the Licensee, and shall be governed by and construed in accordance with the laws of the State of New York.

23.2 Any and all claims asserted by or against the City arising under this License or related thereto shall be heard and determined either in the courts of the United States located in New York City (“Federal Courts”) or in the courts of the State of New York (“New York State Courts”) located in the City and County of New York. To effect this License Agreement and its intent, Licensee agrees:

(a) If the City initiates any action against the Licensee in Federal Court or in New York State Court, service of process may be made on the Licensee either in person, wherever such Licensee may be found, or by registered mail addressed to the Licensee at its address set forth in this License, or to such other address as the Licensee may provide to the City in writing; and

(b) With respect to any action between the City and the Licensee in New York State Court, the Licensee hereby expressly waives and relinquishes any rights it might otherwise have (i) to move to dismiss on grounds of forum non conveniens, (ii) to remove to Federal Court; and (iii) to move for a change of venue to a New York State Court outside New York County.

23.3 With respect to any action between the City and the Licensee in Federal Court located in New York City, the Licensee expressly waives and relinquishes any right it might otherwise have to move to transfer the action to a United States Court outside the City of New York.

23.4 If the Licensee commences any action against the City in a court located other than in the City and State of New York, upon request of the City, the Licensee shall either consent to a transfer of the action to a court of competent jurisdiction located in the City and State of New York or, if the court where the action is initially brought will not or cannot transfer the action, the Licensee shall consent to dismiss such action without prejudice

and may thereafter reinstitute the action in a court of competent jurisdiction in New York City.

24. WAIVER OF TRIAL BY JURY

24.1 (a) Licensee hereby waives trial by jury in any action, proceeding, or counterclaim brought by the City against Licensee in any matter related to this License.

(b) No action at law or proceeding in equity against the City shall lie or be maintained upon any claim based upon this License Agreement or arising out of this License Agreement or in any way connected with this License Agreement unless Licensee shall have strictly complied with all requirements relating to the giving of notice and of information with respect to such claims, all as herein provided.

(c) No action shall lie or be maintained against the City by Licensee upon any claims based upon this License unless such action shall be commenced within six (6) months of the termination or conclusion of this License, or within six (6) months after the accrual of the cause of action, whichever first occurs.

(d) In the event any claim is made or any action brought in any way relating to this License Agreement herein other than an action or proceeding in which Licensee and the City are adverse parties, Licensee shall diligently render to the City of New York without additional compensation any and all assistance which Parks and/or the City of New York may reasonably require of Licensee.

25. CUMULATIVE REMEDIES - NO WAIVER

25.1 The specific remedies to which the City may resort under the terms of this License are cumulative and are not intended to be exclusive of any other remedies or means of redress to which it may be lawfully entitled in case of any default hereunder. The failure of the City to insist in any one or more cases upon the strict performance of any of the covenants of this License, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment for the future of such covenants or option.

26. EMPLOYEES

26.1 All experts, independent contractors, consultants, specialists, trainees, agents, and employees of Licensee who are employed by Licensee to perform work under this License Agreement are neither employees of the City nor under contract to the City, and Licensee alone is responsible for their work, direction, compensation and personal conduct while engaged under this License Agreement. Nothing included in this Article or in any other provision of this License Agreement shall be construed to impose any liability or duty upon the City for acts, omissions, liabilities or obligations of Licensee or any person, firm, company, agency, association, corporation or organization engaged by Licensee as expert, consultant, independent contractor, specialist, trainee, employee, servant, or agent or for taxes or fees of any nature including but not limited to unemployment insurance, workers' compensation, disability benefits and social security.

27. INDEPENDENT STATUS OF LICENSEE

27.1 Licensee is not an employee of the City and in accordance with such independent status neither Licensee nor its employees or agents will hold themselves out as, nor claim to be officers, employees, or agents of the City, or of any department, agency, or unit thereof, and they will not make any claim, demand, or application to or for any right or privilege applicable to an officer of, or employee of, the City, including but not limited to, workers' compensation coverage, unemployment insurance benefits, social security coverage, or employee retirement membership or credit.

28. CREDITOR-DEBTOR PROCEEDINGS

28.1 In the event any bankruptcy, insolvency, reorganization, or other creditor-debtor proceedings shall be instituted by or against the Licensee or its successors or assigns, or the guarantor, if any, the Security Deposit shall be deemed to be applied first to the payment of license fees and/or other charges due the City for all periods prior to the institution of such proceedings and the balance, if any, of the Security Deposit may be retained by the City in partial liquidation of the City's damages.

29. CONFLICT OF INTEREST

29.1 Licensee represents and warrants that neither it nor any of its directors, officers, members, partners or employees, has any interest nor shall they acquire any interest, directly or indirectly, which would or may conflict in any manner or degree with the performance or rendering of the services herein provided. Licensee further represents and warrants that in the performance of this License no person having such interest or possible interest shall be employed by it. No elected official or other officer or employee of the City, nor any person whose salary is payable, in whole or part, from the City treasury, shall participate in any decision relating to this License which affects his/her personal interest or the interest of any corporation, partnership or association in which he/she is, directly or indirectly, interested nor shall any such person have any interest, direct or indirect, in this License or in the proceeds thereof.

30. PROCUREMENT OF AGREEMENT

30.1 Licensee represents and warrants that no person or selling agency has been employed or retained to solicit or secure this License upon an agreement or understanding for a commission, percentage, brokerage fee, contingent fee or any other compensation. Licensee further represents and warrants that no payment, gift or thing of value has been made, given or promised to obtain this or any other agreement between the parties. Licensee makes such representations and warranties to induce the City to enter into this License and the City relies upon such representations and warranties in the execution hereof.

30.2 For a breach or violation of such representations or warranties, the Commissioner shall have the right to annul this License without liability, entitling the City to recover all monies paid hereunder, if any, and the Licensee shall not make any claim for, or be entitled to recover, any sum or sums due under this License. This remedy, if effected, shall not constitute the sole remedy afforded the City for the falsity or breach, nor shall it

constitute a waiver of the City's right to claim damages or refuse payment or to take any other action provided by law or pursuant to this License.

31. NO CLAIM AGAINST OFFICIALS, AGENTS OR EMPLOYEES

31.1 No claim whatsoever shall be made by the Licensee against any officials, agent, or employee of the City for, or on account of, anything done or omitted in connection with this License.

32. ALL LEGAL PROVISIONS DEEMED INCLUDED

32.1 Each and every provision of law required to be inserted in this License shall be and is deemed inserted herein, whether or not actually inserted.

33. SEVERABILITY: INVALIDITY OF PARTICULAR PROVISIONS

33.1 If any term or provision of this License or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of this License, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term and provision of this License shall be valid and enforceable to the fullest extent permitted by law.

34. JUDICIAL INTERPRETATION

34.1 Should any provision of this License require judicial interpretation, it is agreed that the court interpreting or considering same shall not apply the presumption that the terms hereof shall be more strictly construed against a party by reason of the rule of construction that a document should be construed more strictly against the party who itself or through its agent prepared the same, it being agreed that all parties hereto have participated in the preparation of this License and that legal counsel was consulted by each responsible party before the execution of this License.

35. MODIFICATION OF AGREEMENT

35.1 This License Agreement constitutes the whole of the agreement between the parties hereto, and no other representation made heretofore shall be binding upon the parties hereto. This License Agreement may be modified from time to time by agreement in writing, but no modification of this License Agreement shall be in effect until such modification has been agreed to in writing and duly executed by the party or parties affected by said modification.

36. NOTICES

36.1 Where provision is made herein for notice or other communication to be given in writing, the same shall be given by hand delivery or by mailing a copy of such notice or other communication by certified mail, return receipt requested, addressed to Commissioner or to the attention of Licensee at their respective addresses provided at the beginning of this License Agreement, or to any other address that Licensee shall have

filed with Commissioner. Notices shall also be given by electronic mail to the electronic mail addresses for each party provided at the beginning of this License Agreement.

37. LICENSEE ORGANIZATION, POWER AND AUTHORITY

37.1 Licensee and the individual executing this License Agreement on behalf of Licensee each represents and warrants that Licensee is a corporation duly organized, validly existing and in good standing under the laws of New York and has the power and authority to enter into this License Agreement and perform its obligations hereunder. This is a continuing representation and warranty.

38. MISCELLANEOUS

38.1 The headings of articles and paragraphs are inserted for convenience only and shall not be deemed to constitute part of this License Agreement or to affect the construction thereof. The use in this License Agreement of singular, plural, masculine, feminine and neuter pronouns shall include the others as the context may require.

39. ENTIRE AGREEMENT

39.1 This License Agreement constitutes the entire agreement between the parties and cannot be changed, modified or terminated orally, but only by an instrument in writing executed by Commissioner and Licensee.

40. COUNTERPARTS

40.1 This License may be executed in counterparts, each of which shall be an original and all of which counterparts taken together shall constitute one and the same License.

IN WITNESS WHEREOF, the parties hereto have caused this License Agreement to be signed and sealed on the day and year first above written.

NYC EARNED SAFE AND SICK TIME ACT CONTRACT RIDER

A. *Introduction and General Provisions.*

1. The Earned Safe and Sick Time Act (“ESSTA”), codified at Title 20, Chapter 8 of the New York City Administrative Code, also known as the “Paid Safe and Sick Leave Law,” requires covered employees (as defined in Admin. Code § 20-912) in New York City (“City”) to be provided with paid safe and sick time. Licensees of the City or of other governmental entities may be required to provide safe and sick time pursuant to the ESSTA. The ESSTA is enforced by the City’s Department of Consumer and Worker Protection (“DCWP”), which has promulgated 6 RCNY §§ 7-101 and 201 et seq. (“DCWP Rules”).

2. The Licensee agrees to comply in all respects with the ESSTA and the DCWP Rules, and as amended, if applicable, in the performance of this agreement. The Licensee further acknowledges that such compliance is a material term of this agreement and that failure to comply with the ESSTA in performance of this agreement may result in its termination.

3. The Licensee must notify (with a copy to DCWP at ComplianceMonitoring@dcwp.nyc.gov) the Agency Chief Contracting Officer of the City Agency or other entity with whom it is contracting in writing within 10 days of receipt of a complaint (whether oral or written) or notice of investigation regarding the ESSTA involving the performance of this agreement. Additionally, the Licensee must cooperate with DCWP’s guidance and must comply with DCWP’s subpoenas, requests for information, and other document demands as set forth in the ESSTA and the DCWP Rules. More information is available at <https://www1.nyc.gov/site/dca/about/paid-sick-leave-what-employers-need-to-know.page>.

4. Upon conclusion of a DCWP investigation, Licensee will receive a findings letter detailing any employee relief and civil penalties owed. Pursuant to the findings, Licensee will have the opportunity to settle any violations and cure the breach of this agreement caused by failure to comply with the ESSTA either i) without a trial by entering into a consent order or ii) appearing before an impartial judge at the City’s administrative tribunal. In addition to and notwithstanding any other rights and remedies available to the City, non-payment of relief and penalties owed pursuant to a consent order or final adjudication within 30 days of such consent order or final adjudication may result in the termination of this agreement without further opportunity to settle or cure the violations.

5. The ESSTA is briefly summarized below for the convenience of the Licensee. The Licensee is advised to review the ESSTA and the DCWP Rules in their entirety. The Licensee may go to www.nyc.gov/PaidSickLeave for resources for employers, such as Frequently Asked Questions, timekeeping tools and model forms, and an event calendar of upcoming presentations and webinars at which the Licensee can get more information about how to comply with the ESSTA and the DCWP Rules. The Licensee acknowledges that it is responsible for compliance with the ESSTA and the DCWP Rules notwithstanding any inconsistent language contained herein.

B. *Pursuant to the ESSTA and DCWP Rules: Applicability, Accrual, and Use.*

1. An employee who works within the City must be provided paid safe and sick time.¹ Employers with one hundred or more employees are required to provide 56 hours of safe and sick time for an employee each calendar year. Employers with fewer than one hundred employees are required to provide 40 hours of sick leave each calendar year. Employers must provide a minimum of one hour of safe and sick time for every 30 hours worked by an employee and compensation for such safe and sick time must be provided at the greater of the employee's regular hourly rate or the minimum wage at the time the paid safe or sick time is taken. Employers are not discouraged or prohibited from providing more generous safe and sick time policies than what the ESSTA requires.

2. Employees have the right to determine how much safe and sick time they will use, provided that an employer may set a reasonable minimum increment for the use of safe and sick time not to exceed four hours per day. For the use of safe time or sick time beyond the set minimum increment, an employer may set fixed periods of up to thirty minutes beyond the minimum increment. In addition, an employee may carry over up to 40 or 56 hours of unused safe and sick time to the following calendar year, provided that no employer is required to carry over unused paid safe and sick time if the employee is paid for such unused safe and sick time and the employer provides the employee with at least the legally required amount of paid safe and sick time for such employee for the immediately subsequent calendar year on the first day of such calendar year.

3. An employee entitled to safe and sick time pursuant to the ESSTA may use safe and sick time for any of the following:

a. such employee's mental illness, physical illness, injury, or health condition or the care of such illness, injury, or condition or such employee's need for medical diagnosis or preventive medical care;

b. such employee's care of a family member (an employee's child, spouse, domestic partner, parent, sibling, grandchild, or grandparent, the child or parent of an employee's spouse or domestic partner, any other individual related by blood to the employee, and any other individual whose close association with the employee is the equivalent of a family relationship) who has a mental illness, physical illness, injury or health condition or who has a need for medical diagnosis or preventive medical care;

c. closure of such employee's place of business by order of a public official due to a public health emergency;

d. such employee's need to care for a child whose school or childcare provider has been closed due to a public health emergency; or

e. when the employee or a family member has been the victim of a family offense matter, sexual offense, stalking, or human trafficking:

1. to obtain services from a domestic violence shelter, rape crisis center, or other shelter or services program for relief from a family offense matter, sexual offense, stalking, or human trafficking;

2. to participate in safety planning, temporarily or permanently relocate, or take other actions to increase the safety of the employee or employee's family members from future family offense matters, sexual offenses, stalking, or human trafficking;

¹ Pursuant to the ESSTA, if fewer than five employees work for the same employer, and the employer had a net income of less than one million dollars during the previous tax year, such employer has the option of providing such employees uncompensated safe and sick time.

3. to meet with a civil attorney or other social service provider to obtain information and advice on, and prepare for or participate in any criminal or civil proceeding, including but not limited to, matters related to a family offense matter, sexual offense, stalking, human trafficking, custody, visitation, matrimonial issues, orders of protection, immigration, housing, discrimination in employment, housing or consumer credit;

4. to file a complaint or domestic incident report with law enforcement;

5. to meet with a district attorney's office;

6. to enroll children in a new school; or

7. to take other actions necessary to maintain, improve, or restore the physical, psychological, or economic, health or safety of the employee or the employee's family member or to protect those who associate or work with the employee.

4. An employer must not require an employee, as a condition of taking safe and sick time, to search for a replacement. However, where the employee's need for safe and sick time is foreseeable, an employer may require an employee to provide reasonable notice of the need to use safe and sick time. For an absence of more than three consecutive work days, an employer may require reasonable documentation that the use of safe and sick time was needed for a reason listed in Admin. Code § 20-914; and/or written confirmation that an employee used safe and sick time pursuant to the ESSTA. However, an employer may not require documentation specifying the nature of a medical condition, require disclosure of the details of a medical condition, or require disclosure of the details of a family offense matter, sexual offense, stalking, or human trafficking, as a condition of providing safe and sick time. Health information and information concerning family offenses, sexual offenses, stalking or human trafficking obtained solely due to an employee's use of safe and sick time pursuant to the ESSTA must be treated by the employer as confidential. An employer must reimburse an employee for all reasonable costs or expenses incurred in obtaining such documentation for the employer.

5. An employer must provide to all employees a written policy explaining its method of calculating sick time, policies regarding the use of safe and sick time (including any permissible discretionary conditions on use), and policies regarding carry-over of unused time at the end of the year, among other topics. It must provide the policy to employees using a delivery method that reasonably ensures that employees receive the policy. If such employer has not provided its written policy, it may not deny safe and sick time to an employee because of non-compliance with such a policy.

6. An employer must provide a pay statement or other form of written documentation that informs the employee of the amount of safe/sick time accrued and used during the relevant pay period and the total balance of the employee's accrued safe/sick time available for use.

7. Safe and sick time to which an employee is entitled must be paid no later than the payday for the next regular payroll period beginning after the safe and sick time was used.

C. *Exemptions and Exceptions.* Notwithstanding the above, the ESSTA does not apply to any of the following:

1. an independent contractor who does not meet the definition of employee under N.Y. Labor Law § 190(2);
2. an employee covered by a valid collective bargaining agreement, if the provisions of the ESSTA are expressly waived in such agreement and such agreement provides a benefit comparable to that provided by the ESSTA for such employee;
3. an audiologist, occupational therapist, physical therapist, or speech language pathologist who is licensed by the New York State Department of Education and who calls in for work assignments at will, determines their own schedule, has the ability to reject or accept any assignment referred to them, and is paid an average hourly wage that is at least four times the federal minimum wage;
4. an employee in a work study program under Section 2753 of Chapter 42 of the United States Code;
5. an employee whose work is compensated by a qualified scholarship program as that term is defined in the Internal Revenue Code, Section 117 of Chapter 20 of the United States Code; or
6. a participant in a Work Experience Program (WEP) under N.Y. Social Services Law § 336-c.

D. *Retaliation Prohibited.* An employer shall not take any adverse action against an employee that penalizes the employee for, or is reasonably likely to deter the employee from or interfere with the employee exercising or attempting in good faith to exercise any right provided by the ESSTA. In addition, an employer shall not interfere with any investigation, proceeding, or hearing pursuant to the ESSTA.

E. *Notice of Rights.*

1. An employer must provide its employees with written notice of their rights pursuant to the ESSTA. Such notice must be in English and the primary language spoken by an employee, provided that DCWP has made available a translation into such language. Downloadable notices are available on DCWP's website at <https://www1.nyc.gov/site/dca/about/Paid-Safe-Sick-Leave-Notice-of-Employee-Rights.page>. The notice must be provided to the employees by a method that reasonably ensures personal receipt by the employee.

2. Any person or entity that willfully violates these notice requirements is subject to a civil penalty in an amount not to exceed \$50.00 for each employee who was not given appropriate notice.

F. *Records.* An employer must retain records documenting its compliance with the ESSTA for a period of at least three years, and must allow DCWP to access such records in furtherance of an investigation related to an alleged violation of the ESSTA.

G. *Enforcement and Penalties.*

1. Upon receiving a complaint alleging a violation of the ESSTA, DCWP must investigate such complaint. DCWP may also open an investigation to determine compliance with the ESSTA on its own initiative. Upon notification of a complaint or an investigation by DCWP, the employer must provide DCWP with a written response and any such other information as DCWP may request. If DCWP believes that a violation of the ESSTA has occurred, it has the right to issue a notice of violation to the employer.

2. DCWP has the power to grant an employee or former employee all appropriate relief as set forth in Admin. Code § 20-924(d). Such relief may include, but is not limited to, treble damages for the wages that should have been paid; statutory damages for unlawful retaliation; and damages, including statutory damages, full compensation for wages and benefits lost, and reinstatement, for unlawful discharge. In addition, DCWP may impose on an employer found to have violated the ESSTA civil penalties not to exceed \$500.00 for a first violation, \$750.00 for a second violation within two years of the first violation, and \$1,000.00 for each succeeding violation within two years of the previous violation. When an employer has a policy or practice of not providing or refusing to allow the use of safe and sick time to its employees, DCWP may seek penalties and relief on a per employee basis.

3. Pursuant to Admin. Code § 20-924.2, (a) where reasonable cause exists to believe that an employer is engaged in a pattern or practice of violations of the ESSTA, the Corporation Counsel may commence a civil action on behalf of the City in a court of competent jurisdiction by filing a complaint setting forth facts relating to such pattern or practice and requesting relief, which may include injunctive relief, civil penalties and any other appropriate relief. Nothing in § 20-924.2 prohibits DCWP from exercising its authority under section 20-924 or the Charter, provided that a civil action pursuant to § 20-924.2 shall not have previously been commenced.

H. *More Generous Policies and Other Legal Requirements.* Nothing in the ESSTA is intended to discourage, prohibit, diminish, or impair the adoption or retention of a more generous safe and sick time policy, or the obligation of an employer to comply with any contract, collective bargaining agreement, employment benefit plan or other agreement providing more generous safe and sick time. The ESSTA provides minimum requirements pertaining to safe and sick time and does not preempt, limit, or otherwise affect the applicability of any other law, regulation, rule, requirement, policy or standard that provides for greater accrual or use by employees of safe and sick leave or time, whether paid or unpaid, or that extends other protections to employees. The ESSTA may not be construed as creating or imposing any requirement in conflict with any federal or state law, rule or regulation.

II. The provisions of Section I.(B) of this Exhibit G are subject to the limitations and conditions in this Section II and in Sections III and IV of this Exhibit G:

(A) The guarantee is made for the benefit of all beneficiaries as defined in Section I.(B) of this Exhibit G, provided that those beneficiaries strictly adhere to the terms and conditions of this Section II of this Exhibit G.

(C) Every person who has furnished labor or material, to the Licensee, a Contractor or to a Subcontractor of the Contractor, in the prosecution of the Capital Improvement Project and who has not been paid in full therefor before the expiration of a period of ninety (90) days after the date on which the last of the labor was performed or material was furnished by him/her for which the claim is made, shall have the right to sue on this payment guarantee in his/her own name for the amount, or the balance thereof, unpaid at the time of commencement of the action, by filing a demand hereunder; provided, however, that a person having a direct contractual relationship with a Subcontractor of the Contractor but no contractual relationship express or implied with the Contractor shall not have a right of action upon the guarantee unless he/she shall have given written notice to the Contractor within one hundred twenty (120) days from the date on which the last of the labor was performed or the last of the material was furnished, for which his/her claim is made, stating with substantial accuracy the amount claimed and the name of the party to whom the material was furnished or for whom the labor was performed. The notice shall be served by delivering the same personally to the Contractor or by mailing the same by registered mail, postage prepaid, in an envelope addressed to the Contractor at any place where it maintains an office or conducts its business; provided, however, that where such notice is actually received by the Contractor by other means, such notice shall be deemed sufficient.

If the Contractor has a claim against the Licensee as described in the first sentence of Section II.(C) of this Exhibit G, the Contractor shall promptly forward such demand to the Licensee.

(F) All demands made against the Licensee by a beneficiary of this payment guarantee shall be presented to the Licensee along with all written documentation concerning the demand which the Licensee deems reasonably appropriate or necessary, which may include, but shall not be limited to: the contract or subcontract; any invoices presented to the party liable for payment; the notarized statement of the beneficiary that the demand is due and payable, that a request for payment has been made of the party liable for payment and that the demand has not been paid by the party liable for payment within the time allowed for such payment by the contract or subcontract; and copies of any correspondence between the beneficiary and the party liable for payment concerning such demand. If the party liable for payment is not the Licensee, the Licensee shall notify the party liable for payment that a demand has been made. The party liable for payment shall inform the Licensee of any defenses to the demand and shall forward to the Licensee any documents the Licensee requests concerning the demand.

(G) The Licensee shall make payment as described in Section IV only if, after considering all defenses presented to the claim for payment, it determines that the payment is due and owing to the beneficiary making the demand.

IV. (A) In the event the Licensee determines that the demand is valid and the Licensee is not the party liable for payment, the Licensee shall notify the party liable for payment of such determination and the amount thereof, and direct the party liable for payment to immediately pay such amount to the beneficiary. In the event the party liable for payment, within seven (7) days of receipt of such notification from the Licensee, fails to pay the beneficiary, the Licensee shall pay the amount due and owing to the beneficiary within seven (7) days of the date on which Licensee becomes aware of such failure to pay the beneficiary.

In the event a lien has been filed, the parties will be governed by the provisions of the Lien Law of the State of New York. The Licensee shall provide written notification of its determination that the demand is invalid to the beneficiary that made such demand.
