THIS LICENSE AGREEMENT (“License Agreement” or “License” or “Agreement”) made this ____ day of _____, 2024 between the City of New York (the “City”) acting by and through the Department of Parks & Recreation (“Parks”), whose address is The Arsenal, Central Park, 830 Fifth Avenue, New York, New York 10065 (revenue@parks.nyc.gov), Randall’s Island Park Alliance, Inc. (“RIPA”), whose address is Icahn Stadium, 10 Central Road, New York, NY 10035, (info@randallsisland.org) and Cirque Du Soleil America Newco Inc. (“Licensee”), whose address is 950 Grier Drive, Las Vegas, NV, 89119 (tsd.sitedevelopment@cirquedusoleil.com).

WITNESSETH:

WHEREAS, Parks has jurisdiction over parklands of the City of New York and facilities therein pursuant to Section 533(a) of the City Charter; and

WHEREAS, Randall’s Island Park located on the East River between Manhattan, Queens and the Bronx, directly below the Robert F. Kennedy Bridge (formerly the Triborough Bridge) is a property under the jurisdiction of Parks; and

WHEREAS, RIPA, a not-for-profit corporation founded in 1992, in public-private partnership pursuant to an agreement with Parks executed on December 24, 2012, provides supplemental services, including maintenance, recreational and cultural events and programs for the benefit of the public, for which it may derive revenues through fees, at Randall’s Island Park; and

WHEREAS, Parks desires to provide for the operation and maintenance of seasonal programming and other services at Randall’s Island Park, Manhattan; and

WHEREAS, Parks has complied with the requirements of the Franchise and Concession Review Committee (“FCRC”) for the selection of licensees, including the issuance of a Request for Proposals (“RFP”) for the operation, and maintenance of the Licensed Premises (as hereinafter defined); and

WHEREAS, the Licensee desires to operate and maintain seasonal programming and other services at Randall’s Island Park and in accordance with the terms set forth herein; and

WHEREAS, Parks, RIPA and Licensee desire to enter into this License Agreement specifying rights and obligations with respect to the operation and maintenance of seasonal programming and other services at the Licensed Premises;

NOW THEREFORE, in consideration of the promises and covenants contained herein, the parties do hereby agree as follows:

1. GRANT OF LICENSE

1.1 (a) Parks hereby grants to Licensee and Licensee hereby accepts from Parks this License to operate and maintain the area designated on Randall’s Island Park in **Exhibit A**, attached hereto (“Licensed Premises”), for seasonal programming and other services at a high

standard of quality for the use and enjoyment of the general public, and in accordance with the provisions herein and to the reasonable satisfaction of the Commissioner of Parks. For the purposes of this License, the Licensee shall operate and maintain performances including acrobatics and circus and shall perform all related services thereto at the Licensed Premises (collectively, “the Concession”). The Concession shall commence from approximately January 21st and will last until approximately May 31st of each year. The exact dates of each operating season of the Concession are subject to Parks’ prior written approval. The Licensee shall coordinate with Parks, RIPA, and all other agencies having jurisdiction regarding issues including, but not limited to, access, logistics and operation. The Licensee will be responsible for all costs associated with the operation and maintenance of the Licensed Premises for the Concession. All plans, schedules, services, menu items, merchandise, prices and fees, and hours of operation are subject to Parks’ prior written approval. The Licensee may only operate the Licensed Premises when the park is open.

(b) At least sixty (60) days before each Operating Period, as defined below, Licensee shall provide Parks, for Parks’ approval, a comprehensive operations plan, with a description of all tickets and their prices, as well as food and beverage menu items, to be sold. The exact location and configuration of the Concession is subject to Parks’ approval. All food, beverage, merchandise, or supply of any kind must be of a high quality and comply with all health code regulations.

1.2 Licensee shall obtain any and all approvals, permits, and other licenses required by federal, State and City laws, rules, regulations and orders which are or may become necessary to develop, operate and maintain the Licensed Premises in accordance with the terms of this License. In order to be in compliance with this License Agreement, Licensee must fulfill all of the obligations contained herein. Commissioner may deem as a default Licensee’s failure to fulfill any of its obligations as set forth herein.

1.3 It is expressly understood that no land, building, space, or equipment is leased or otherwise conveyed to Licensee by Parks, but that during the Term and Renewal Term(s) of this License, Licensee shall have the use of the Licensed Premises for the purposes herein provided. Licensee has the right to occupy and operate the Licensed Premises only so long as each and every term and condition in this License is strictly and properly complied with and so long as this License is not terminated by Commissioner in accordance with this License.

1.4 Licensee shall provide, at all times, full and free access to the Licensed Premises to the Commissioner or her representatives and to other City, State and federal officials having jurisdiction for inspection purposes and to ensure Parks’ satisfaction with Licensee’s compliance with the terms of this License Agreement.

1.5 Any business or trade name which Licensee proposes to use in identifying the Licensed Premises or any part of the Licensed Premises shall be subject to the prior written approval of the Commissioner (such approval not to be unreasonably withheld). All intellectual property rights in the Licensed Premises, “Randall’s Island Park”, and any other names, trademarks, service marks, copyrights, patents, trade names, service names, logos, domain names, identifiers, images and other intellectual property that identify Parks, including Parks’ signage and the distinctive Parks leaf logo, together with the goodwill that is symbolized by such names, trademarks, service marks,

designations and identifications are the property of the City (“City IP”). Parks may require that the City own the portion of any name selected by Licensee for use at the Licensed Premises that indicates Parks’ property or a preexisting facility name or otherwise contains any City IP. The City will not own any portion of any new name that consists of the name, portrait or signature of a living or deceased individual or a restaurant identifier that is not otherwise associated with Parks’ property. Licensee may use the names “Randall’s Island Park” in connection with its operations under this License Agreement only to identify the location of the Licensed Premises, any other uses of “Randall’s Island Park” or any other City IP may be only use pursuant to a separate written agreement between the City and Licensee. Parks hereby approves the Licensee’s use of the names “Cirque de Soleil” and all derivations, logos and trademarks and trade names associated thereof, and Parks acknowledges that the City has no ownership or other rights in such intellectual property. Licensee represents and warrants that Licensee has all right, title, and interest in the approved trade names above, or has acquired or properly licensed such right, title, and interest.

In the event the index shall cease to be published, then for the purpose of this License Agreement there shall be substituted for the index such other index as Parks and Licensee shall agree upon in writing.
- (f)** “CPI Adjustment” means an adjustment made by multiplying the dollar amount to be adjusted by a fraction, the numerator of which shall be the CPI for the calendar month prior to the month in which the adjustment is to occur, and the denominator of which shall be the CPI for the calendar month prior to the Commencement Date.

Gross Receipts shall exclude the amount of any federal, State or City sales taxes which may now or hereafter be imposed upon or be required to be collected and paid by Licensee. Gross Receipts shall include any orders placed or made at the Licensed Premises, although delivery of merchandise or services may be made outside or away from the Licensed Premises and shall include all receipts of Licensee for orders taken at the Licensed Premises by Licensee for services to be rendered by Licensee in the future either at or outside of the Licensed Premises. For example, if Licensee receives a one thousand dollar (\$1,000) deposit for services to be provided at a later date, the deposit must be reported at the time of payment, regardless of when the service is provided. All sales made or services rendered from the Licensed Premises shall be construed as made and completed therein even though payment therefor may be made at some other place, and although delivery of merchandise sold or services rendered upon the Licensed Premises may be made other than at the Licensed Premises.

(ii) Gross Receipts includes receipts from all sponsorships, whether in cash or as discounts against purchase price of materials, equipment, or commodities.

(iv) Gross Receipts includes sales made for cash or credit (credit sales shall be included in Gross Receipts as of the date of the sale) regardless of whether the sales are paid or uncollected, it being the distinct intention and agreement of the parties that all sums due to be received by Licensee from all sources from the operation of this License shall be included in Gross Receipts.

and landscaping. Licensee shall only operate in the areas of the Licensed Premises specifically designated by Park.

(k) “Licensee’s Special Events” means any private function or programs (e.g., either arranged by Licensee or by reservation of all or part of the Licensed Premises through Licensee by third parties), at the Licensed Premises, excluding “Parks’ Special Events” as defined in Article 13 of this Agreement.

(l) “Operating Period” shall mean the period between the Commencement Date as defined in Section 3.1 (or its anniversary in any year other than Operating Period 1) and the Termination Date.

3. TERM OF LICENSE

3.1 This License shall become effective upon registration with the Comptroller’s Office and commence upon the date written in a written Notice to Proceed issued to Licensee from Parks (“Commencement Date”). Licensee may not commence the operation of any part of the Concession granted hereby, prior to the Commencement Date. This License shall terminate on May 18, 2025 (“Termination Date” or “Expiration Date”). The period between the Commencement Date and the Termination Date shall be referred to as the “Term”. The License may be renewed for up to four (4) additional one (1) year terms, exercisable at Parks’ sole discretion (“Renewal Term”). In no event shall the Concession become effective prior to registration with the Comptroller.

3.2 Notwithstanding any language contained herein, this License is terminable at will by the Commissioner at any time. Such termination shall be effective after ten (10) days’ written notice is sent to Licensee. The Commissioner, the City, its employees and agents shall not be liable for damages to Licensee in the event that this License is terminated by Commissioner as provided for herein.

3.3 Parks may terminate this License for cause as follows:

(a) Should Licensee breach or fail to comply with any of the provisions of this License or any federal, State, or local law, rule, regulation or order affecting this License or the Licensed Premises with regard to any and all matters, Commissioner shall in writing order Licensee to remedy such breach or comply with such provision, law, rule, regulation or order, and in the event that Licensee fails to comply with such written notice or commence, in good faith and with due diligence, efforts to comply with such order within twenty (20) days from the mailing or facsimile transmission thereof, subject to unavoidable delays beyond the reasonable control of Licensee as determined by Commissioner, then this License shall immediately terminate. In the event such breach or failure to comply cannot be remedied within such twenty (20) day period due to reasons beyond Licensee’s control as determined by Commissioner, the cure period shall be extended for such period as may be necessary in the Commissioner’s judgment to cure such breach. If said breach or failure to comply is corrected, and a repeated violation of the same provision, law, rule, regulation or order follows thereafter, Commissioner, by notice in writing, may revoke and terminate this License, such revocation and termination to be immediately effective on the mailing thereof.

(b) The following shall constitute events of default for which this License may be terminated on five (5) days' written notice: the appointment of any receiver of Licensee's assets; the making of a general assignment for the benefit of creditors; the occurrence of any act which operates to deprive Licensee permanently of the rights, powers, and privileges necessary for the proper conduct and operation of this License; the levy of any attachment or execution which substantially interferes with Licensee's operations under this License and which attachment or execution is not vacated, dismissed, stayed or set aside within a period of sixty (60) days.

(c) Nothing contained in paragraphs (a) or (b) above shall be deemed to imply or be construed to represent an exclusive enumeration of circumstances under which Commissioner may terminate this License.

3.4 Upon expiration or sooner termination of this License by Commissioner, all rights of Licensee herein shall be forfeited without claim for loss, damages, refund of investment or any other payment whatsoever against Commissioner, Parks, or City.

3.5 In the event Commissioner terminates this License for reasons related to Section 3.3 above, any property of the Licensee on the Licensed Premises may be held and used by Commissioner in order to operate the License during the balance of the calendar year and may be held and used thereafter until all indebtedness of the Licensee hereunder, at the time of termination of this License, is paid in full.

3.6 Licensee agrees that upon the expiration or sooner termination of this License, it shall immediately cease all operations pursuant to this License and shall vacate the Licensed Premises within seven (7) days without any further notice by City and without resort to any judicial proceeding by the City. Upon the expiration or sooner termination of this License, City reserves the right to take immediate possession of the Licensed Premises.

3.7 (a) Licensee shall, upon the expiration or sooner termination of this License, remove all personal possessions from the Licensed Premises and leave the Licensed Premises in as good or better condition as at the Commencement Date, reasonable wear and tear excepted. Licensee acknowledges that any personal property remaining on the Licensed Premises after the expiration or sooner termination of this License is intended by Licensee to be abandoned. Licensee shall remain liable to the City for any damages, including lost revenues and the cost of removal or disposal of property, should Licensee fail to remove all possessions from the Licensed Premises during the time prescribed in this Agreement.

(b) Prior to the Termination Date as defined in Section 3.1 herein, or upon earlier termination under the terms of this License, Licensee shall remove from the Licensed Premises all improvements, tents, equipment and other personal property placed on the Licensed Premises in connection with the circus and return the Licensed Premises at Licensee's expense to the condition existing prior to the Commencement Date, including without limitation the re-sodding and restoration of the Licensed Premises, ordinary wear and tear excepted.

(c) On the last day of the Operating Period or upon termination of this Agreement, a duly authorized representative of Parks and of Licensee shall together inspect the Licensed

Premises to evaluate its condition. After such inspection, if Parks is not satisfied with the return condition of the Licensed Premises, Licensee shall promptly perform any additional repair or restoration required at Licensee's sole cost and expense. If Parks is satisfied with the return condition of the Licensed Premises following the original inspection, or after any additional repair or restoration is completed, as applicable, Parks agrees to sign the release form attached hereto as **Exhibit F** ("Release Form").

3.8 If this License is terminated as provided herein, and/or upon the expiration of the License, Parks may, without notice, re-enter and repossess the Licensed Premises using such force for that purpose as may be reasonably necessary without being liable to indictment, prosecution or damages therefor and may dispossess Licensee by summary proceedings or otherwise, without court order or other judicial approval.

3.9 If this License is terminated as provided in Section 3.3 hereof:

(a) Parks may draw down on the Security Deposit in accordance with Section 4.4; and

(b) Licensee shall pay to RIPA all fees payable under this License Agreement by Licensee to the Termination Date of the Term or Renewal Term(s) and Licensee shall remain liable for fees thereafter falling due on the respective dates when such fees would have been payable but for the termination of this License Agreement, provided the Licensed Premises are not re-licensed or re-permitted at an equal or higher fee (if at a lower fee, then only the net difference shall be owed by Licensee); and

(c) Parks and/or RIPA may complete all repair, maintenance and construction work required to be performed by Licensee hereunder and may repair and alter any portion(s) of the Licensed Premises in such manner as Parks may deem necessary or advisable without relieving Licensee of any liability under this License Agreement or otherwise affecting any such liability, and/or relicense the Licensed Premises or any portion thereof for the whole or any part of the remainder of the Term or Renewal Term(s) or for a longer period. Parks and/or RIPA shall in no way be responsible or liable for any failure to relicense any portion(s) of the Licensed Premises or for any failure to collect any fees due on any such relicensing, and no such failure to relicense or to collect fees shall operate to relieve Licensee of any liability under this License Agreement or to otherwise affect any such liability.

3.10 No receipt of moneys by RIPA and/or Parks from Licensee after the termination of this License Agreement, or after the giving of any notice of the termination of this License Agreement, shall reinstate, continue or extend the Term or affect any notice theretofore given to Licensee, or operate as a waiver of the right of RIPA and/or Parks to enforce the payment of fees payable by Licensee hereunder or thereafter falling due, or operate as a waiver of the right of RIPA and/or Parks to recover possession of the Licensed Premises by proper remedy. After the service of notice to terminate this License Agreement or the commencement of any suit or summary proceedings or after a final order or judgment for the possession of the Licensed Premises, RIPA and/or Parks may demand, receive and collect any moneys due or thereafter falling due without in any manner affecting the notice, proceeding, order, suit or judgment, all such moneys collected being deemed

payments on account of the use and occupation of the Licensed Premises or, at the election of RIPA and/or Parks, on account of Licensee's liability hereunder.

4. PAYMENT TO RIPA

4.1 (a) Pursuant to an agreement between Parks and RIPA, dated December 24, 2012, the payment of fees shall be made to RIPA for projects located in Randall's Island Park, which revenue shall be used by RIPA for the operation and maintenance of Randall's Island Park. Licensee shall pay license fees to RIPA, or any successor organization at the direction of the City, in accordance with this Article 4.

(b) Licensee shall pay RIPA License fees for each Operating Period consisting of the annual fee as set forth below:

<u>OPERATING PERIOD</u>	<u>MINIMUM ANNUAL FEE</u>
Operating Period 1	\$400,000.00
Option Operating Period 1	\$414,000.00
Option Operating Period 2	\$428,490.00
Option Operating Period 3	\$443,487.00
Option Operating Period 4	\$460,000.00

4.2 The annual fee for each Operating Period shall be paid to RIPA in four (4) equal installments on or before the first day of the November, December, January, and February of each Operating Period in accordance with the Schedule of Minimum Annual Fee Payments to be provided by Parks upon its giving Notice to Proceed prior to Operating Period 1, or as otherwise approved in writing by Parks in subsequent Operating Periods. Each monthly payment is due and payable on the date specified on the Schedule of Minimum Annual Fee Payments regardless of whether Licensee has received a bill for it from Parks.

4.3 Late charges shall be assessed on any payment that is overdue for more than ten (10) days. In the event that payment of any License fees or any other charges shall become overdue for ten (10) days following the date on which such fees are due and payable as provided in this License, a late charge of two percent (2%) per month on the sums so overdue (computed on a thirty day month) from the date they were due and payable shall become immediately due and payable to RIPA as liquidated damages for the administrative cost and expenses incurred by RIPA by reason of Licensee's failure to make prompt payment, and said late charges shall be payable by Licensee without notice or demand. For example, a monthly payment, in the amount of One Thousand Dollars (\$1,000), due on the first (1st) day of the month must be received no later than the tenth (10th) day of the month. If no payment is received, a two percent (2%) late charge in the amount of Twenty Dollars (\$20) will be assessed on the eleventh (11th) day of the month. If such late fee(s) and all arrearages (including prior two percent (2%) charges) are not paid in full by the tenth (10th)

day of the month following the month in which it shall be due, or is already past due, an additional charge of two percent (2%) of the total of such fee and arrears shall be added thereto and shall be payable and collectable with the next monthly license fee installment. Failure to abide by the terms of this Article shall be presumed to be a failure to substantially comply with the terms, conditions and covenants of this License Agreement and shall be a default hereunder. No failure by Commissioner to bill Licensee for late charges shall constitute a waiver by Commissioner of such late charges or his right to enforce the provisions of this Article. If any local, state or federal law or regulation which limits the rate of interest which can be charged pursuant to this Article is enacted, the rate of interest set forth in this Article shall not exceed the maximum rate permitted under such law or regulation.

4.4 (a) Upon affixing its signature to this License, Licensee shall deposit with the City the amount of One Hundred Fifteen Thousand Dollars (\$115,000) as its security deposit (“Security Deposit”). The Security Deposit may be in the form of an interest-bearing instrument or other format approved by Parks. The Security Deposit shall be held by the City, without liability for the City to pay interest thereon, as security for the full, faithful and prompt performance of and compliance with each and every term and condition of this License to be observed and performed by the Licensee.

(b) The City shall not be obligated to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(c) If any fees or other charges or sums payable by Licensee to RIPA shall be overdue and unpaid or should the City or RIPA make payments on behalf of the Licensee, or should the Licensee fail to perform any of the terms of this License, then Parks may, at its option, and without prejudice to any other remedy which the City or RIPA may have on account thereof, after ten (10) days’ written notice (provided that such cure period may be extended at the Commissioner’s sole discretion upon Licensee demonstrating that Licensee has commenced cure and is diligently pursuing the same to completion), appropriate and apply the Security Deposit or as much thereof as may be necessary to compensate the City or RIPA toward the payment of License fees, late charges, liquidated damages or other sums due from the Licensee or towards any loss, damage or expense sustained by the City or RIPA resulting from such default on the part of Licensee. In such event, the Licensee shall restore the Security Deposit to the original sum deposited within five (5) business days after written demand therefor. In the event Licensee shall fully and faithfully comply with all of the terms, covenants and conditions of this License and pay all License fees and other charges and sums payable by Licensee to the City, the Security Deposit shall be returned to Licensee upon the surrender of the Licensed Premises by the Licensee in compliance with the provisions of this License.

4.5 (a) On or before the thirtieth (30th) day following each month of each Operating Period, Licensee shall submit to Parks and RIPA, in the form annexed hereto as **Exhibit B** or other form satisfactory to Parks, a statement of Gross Receipts, signed and verified to be true and correct by an officer of Licensee, reporting any Gross Receipts generated under this License Agreement during the preceding month. Each of the reports of Gross Receipts shall report the Gross Receipts generated at the Licensed Premises in the following categories:

Ticket Sales	Gross Receipts from the sale of tickets at the Licensed Premises
Food	Gross Receipts from the sale of food at the Licensed Premises
Beverages	Gross Receipts from the sale of beverages at the Licensed Premises
Merchandise	Gross Receipts from the sale of merchandise at the Licensed Premises
Sponsorships	Gross Receipts from permitted sponsorship activity at the Licensed Premises
Special Events	Gross Receipts from reservation of the Licensed Premises for any Special Events
Miscellaneous	Any other sources of income realized from Licensee's operations at the Licensed Premises, subject to prior written approval of the Commissioner.

(b) Licensee shall indicate on its statement of Gross Receipts whether or not these amounts are inclusive of sales tax collected.

(c) Licensee is solely responsible for the payment of all Federal, State, and local taxes applicable to the operation of the Licensed Premises. With the exception of Federal, State, and City sales tax, no such applicable taxes, including but not limited to the New York City Commercial Rent Tax, to the extent applicable, may be deducted from Gross Receipts or from the compensation due under this License.

(d) In the event that after the expiration of this License Agreement but prior to Licensee's final payment of license fees to RIPA, Licensee refunds a deposit to a patron, then Licensee may deduct an amount equal to the applicable percentage of Gross Receipts of said refund from any such final payment of license fees due to RIPA if in fact said deposit was included in the calculation of Gross Receipts, and, provided that such deposit had not been transferred to a new Licensee.

4.6 On or before the sixtieth (60th) day following the end of each Concession Period of each Operating Period, Licensee shall submit to Parks and RIPA a detailed income and expense statement pertaining to operations under this License, signed and verified by an officer of Licensee. The reports referenced in the preceding sentence shall be in a format approved by Parks.

4.7 (a) Licensee, and any sublicensee, during the Term and Renewal Term(s) of this License, shall maintain, and shall cause any sub-licensee to maintain, a revenue control system to ensure the accurate and complete recording of all revenues, in a form and manner acceptable to the City. This revenue control system must maintain detailed sales information from each sales transaction. Specifically, sales information must be recorded electronically, via a computerized point-of-sale system, and must include, but is not limited to, details on each sales transaction, the item(s) sold, time, date of sale and price of the item sold. Regarding Licensee's Special Events, Licensee must also document each of Licensee's Special Events via signed sequentially pre-numbered contracts that capture event information, including the time and date of the event, the number of attendees and required payment. Upon request, Licensee shall provide to Parks any contracts, information, or documentation related to Licensee's Special Events. Payments to Licensee and/or any

sublicensee must be posted daily in a formal set of books or records of account. Additionally, all books and records maintained pursuant to this License Agreement shall be conveniently segregated from other business matters of Licensee and shall include, but not be limited to: all federal, state and local tax returns and schedules of the Licensee; records of daily bank deposits of the entire receipts from transactions in, at, on or from the Licensed Premises; sales slips, daily dated cash register receipts, and sales books; and duplicate bank deposit slips and bank statements. Licensee shall also establish a dedicated bank account for all deposits related to this Concession's generated revenue. All accounting and internal control-related records shall be maintained for a minimum of ten (10) years after the date of creation of the record.

(b) Licensee and any sublicensee shall use such accounting and internal control methods and procedures and keep such additional books and records as may be reasonably prescribed by Parks and/or the Comptroller, and Parks and/or the Comptroller shall have the right to examine the recordkeeping procedures of the Licensee prior to the commencement of the Term and Renewal Term(s) of this License, and at any time thereafter in order to assure that the procedures are adequate to reveal the true, correct and entire business conducted by the Licensee. Licensee shall maintain each year's records, books of account and data for a minimum of ten (10) years after the date of creation of the record.

(c) The failure or refusal of the Licensee to furnish any of the statements required to be furnished under this Article within thirty (30) days after its due date, the failure or refusal of the Licensee to maintain adequate internal controls or to keep any of the records as reasonably required by this Article or the existence of any unexplained discrepancy in the amount of fees required to be due and paid hereunder, as disclosed by audit conducted by Parks and/or the Comptroller, of more than five percent (5%) in any two (2) out of three (3) consecutive months or more than ten percent (10%) in one month, shall, if not cured after ten (10) days written notice, be presumed to be a failure to substantially comply with the terms and conditions of this License and a default hereunder, which shall entitle Parks, at its option, to terminate this License. In addition, the failure or refusal of Licensee to furnish the required statements, to keep the required records or to maintain adequate internal controls shall authorize Parks and/or the Comptroller to make reasonable projections of the amount of Gross Receipts which would have been disclosed had the required statements been furnished or the required records maintained, based upon such extrinsic factors as the auditors deem appropriate in making such projections. With respect to audits or other reviews conducted by Parks pertaining to the calculation of Gross Receipts payments during a period with missing or lost records, Parks may, at its sole discretion, use the highest grossing month over the past five (5) years (multiplied by the applicable CPI) to replace any missing monthly records, provided that the prior year's month is the same month for which records are missing. For example, if April 2027's Gross Receipts are missing and the highest April Gross Receipts occurred in April 2024, then April 2027's "revised" Gross Receipts shall be calculated using April 2024's figures multiplied by the applicable CPI increases during that period. Licensee shall pay any assessment based upon such reasonable projections by Parks or the Comptroller within forty-five (45) days after receipt, and the failure to do so shall constitute an additional substantial violation of this License and a default hereunder.

4.8 In the event Parks reasonably determines that Licensee or Licensee's employees, agents, sub-licensees, or subcontractors have breached any of the provisions contained in this Article 4, Licensee may be subject to a charge of Five Hundred Dollars (\$500) with respect to each incident of breach as liquidated damages, provided that Licensee has been given reasonable notice of such breach and has failed to cure within thirty (30) days of such notice.

5.2 The failure or refusal of the Licensee to permit Parks, the Comptroller or any other duly authorized representative of the City to audit and examine the Licensee's records, books of account and data or the interference in any way by the Licensee in such an audit or examination is presumed to be a failure to substantially comply with the terms and conditions of this License and a default hereunder which shall entitle Parks to terminate this License.

Commissioner, in Commissioner's sole discretion, may then extend such period of time in order to permit Licensee to cure, under such terms and conditions as appropriate.

10.20 This License may be suspended in full or in part for any reason with written notice from Parks. Such suspension shall be immediately effective upon the mailing, facsimile or hand delivery thereof. In the event of such notice, Licensee shall cease operations to the extent required by the notice. Licensee may propose and submit for the Commissioner's approval a plan to equitably address the impact of the closure. Parks, the City, and their officials, employees, and agents shall not be liable for damages to Licensee in the event that operations under this License are fully or partially suspended.

Licensee shall cooperate with Parks in connection with Parks' Special Events and unanticipated events and emergencies at the Licensed Premises. Commissioner represents to Licensee that the Commissioner has not, as of the date hereof, granted to any other person or entity any license, permit, or right of possession or use which would prevent in any way Licensee from performing its obligations and realizing its rights under this License. It is expressly understood that this Article shall in no way limit Parks' right to sponsor or promote Parks' Special Events, as defined herein, at the Licensed Premises, or to enter into agreements with third parties to sponsor or promote such events, provided that Parks will use its reasonable efforts to ensure that such third parties will be responsible for maintenance and clean-up associated with any such Parks' Special Event.

14. PROHIBITION AGAINST TRANSFER; ASSIGNMENTS AND SUBLICENSES

14.1 Licensee shall not sell, transfer, assign, sublicense or encumber in any way this License, ten percent (10%) or more of the shares of or interest in Licensee or consent, allow or permit any other person or party to use any part of the Licensed Premises, buildings, space or facilities covered by this License, nor shall this License be transferred by operation of law, unless approved in advance in writing by Commissioner, it being the purpose of this License Agreement to grant this License solely to Licensee herein named.

Should Licensee choose to assign or sublicense the management and operation of any element of the Licensed Premises to another party, Licensee shall seek the approval of the Commissioner by submitting a written request including proposed assignment documents as provided herein. The Commissioner may request any additional information the Commissioner deems necessary, and Licensee shall promptly comply with such requests.

The term "assignment" shall be deemed to include any direct or indirect assignment, sublet, sale, pledge, mortgage, transfer of or change in ten percent (10%) or more in the stock or voting control of or interest in Licensee, including any transfer by operation of law. No sale or transfer of the stock of or interest in Licensee or its nominee may be made under any circumstance if such sale or transfer will result in a change of control of Licensee violative of the intent of this Article.

14.2 No assignment or other transfer of any interest in this License Agreement shall be permitted which, alone or in combination with other prior or simultaneous transfers or assignments, would have the effect of changing the ownership or control, whether direct or indirect, of ten percent (10%) or more of the stock or voting control of Licensee in the Licensed Premises without the prior written consent of Commissioner. Licensee shall present to Commissioner the assignment or sublicense agreement for approval, together with any and all information as may be reasonably required by the City for such approval, including a statement prepared by a certified public accountant indicating that the proposed assignee or sub-licensee has a financial net worth acceptable to the Commissioner together with a certification that it shall provide management control acceptable to the Commissioner for the management and operation of the Licensed Premises. The constraints contained herein are intended to assure the City that the Licensed Premises are operated by persons, firms and corporations which are experienced and reputable operators and are not intended to diminish Licensee's interest in the Licensed Premises. Parks reserves the right to require payment of a reasonable transfer fee as a condition of the granting of any required consent or approval.

14.3 No consent to or approval of any assignment or sub-licensee granted pursuant to this Article shall constitute consent to or approval of any subsequent assignment or sublicense. Failure to comply with this provision shall grant the right to Parks to cause the immediate termination of this License.

14.4 In the event that, during the Term, Parks authorizes Licensee to enter into a sublicense for operations at the Licensed Premises the terms and conditions of any such sublicense shall be subject to the prior written approval of Parks. Any such sublicense which is authorized hereunder shall be subject and subordinate to the terms and conditions of this License and Licensee shall

require the sublicensee to acknowledge in writing that it received a copy of this License and that it is bound by same. All provisions of this License applicable to Licensee with respect to the operation and maintenance of the Licensed Premises shall be equally applicable to any sublicensee. Licensee shall require any sublicensee to agree in writing that it will comply with Parks' directives and the provisions of this License applicable to Licensee with respect to the operation, and maintenance of the Licensed Premises, including, but not limited to, obtaining insurance required of Licensee under this License Agreement and indemnifying the City as set forth in Article 19 herein, and shall be responsible for assuring such compliance. If any sublicensee does not comply with this License insofar as applicable to it, Parks may direct Licensee to terminate that sublicensee's operations. No sublicense may be assigned without the prior written consent of Parks. Any subsequent sublicense agreement(s) will be subject to the terms and conditions as set forth in this License.

Parks shall use its reasonable efforts to give Licensee notice at least one (1) week prior to any such work and not to interfere substantially with Licensee's operations or use of the Licensed Premises. Parks may temporarily close part or all of the Licensed Premises for a Parks purpose as determined by the Commissioner. In the event that Licensee must close the Licensed Premises for the purposes provided for in this License because of such Parks' work, then Licensee may propose and submit for the Commissioner's approval a plan to equitably address the impact of the closure, including but not limited to a suspension of all financial obligations of this License. Licensee shall be responsible for security of all Licensee's property on the Licensed Premises at all times. Parks shall be solely responsible for claims, damages, or injury resulting from its work hereunder, except to the extent such claims, damages and injury are caused by the negligence or willful misconduct of Licensee.

16. COMPLIANCE WITH LAWS

16.1 Licensee shall comply and cause its employees and agents to comply with all laws, rules, regulations, and orders now or hereafter prescribed by Commissioner, and to comply with all laws, rules, regulations and orders of any City, State or federal agency or governmental entity having jurisdiction over operations of the License and the Licensed Premises and/or Licensee's use and occupation thereof.

16.2 Licensee shall not use or allow the Licensed Premises, or any portion thereof, to be used or occupied for any unlawful purpose or in any manner violative of a certificate pertaining to occupancy or use during the Construction Period or Term of this License.

18. NO WAIVER OF RIGHTS

18.1 No acceptance by Commissioner of any compensation, fees, penalty sums, charges, or other payments in whole or in part for any periods after a default of any terms and conditions herein shall be deemed a waiver of any right on the part of Commissioner to terminate this License. No waiver by Commissioner of any default on the part of Licensee in the performance of any of the terms and conditions herein shall be construed to be a waiver of any other or subsequent default in the performance of any of the said terms and conditions.

19. RESPONSIBILITY FOR SAFETY, INJURIES OR DAMAGE, AND INDEMNIFICATION

19.1 Licensee Responsibility

(a) The Licensee shall be solely responsible for the safety and protection of its employees, agents, servants, sublicensees, vendors, contractors, and subcontractors, and for the safety and protection of the employees, agents, or servants of its vendors, contractors, sublicensees, or subcontractors.

(b) The Licensee shall be solely responsible for taking all reasonable precautions to protect the persons and property of the City or others from damage, loss or injury resulting from any and all operations under this License.

(d) The Licensee shall use the Premises in compliance with, and shall not cause or permit the Premises to be used in violation of, any and all federal, state or local environmental, health and/or safety-related laws, regulations, standards, decisions of the courts, permits or permit conditions, currently existing or as amended or adapted in the future which are or become applicable to the Licensee or the Licensed Premises (collectively “Environmental Laws”). (a) To the fullest extent permitted by law, the Licensee shall indemnify, defend and hold the City and RIPA, and their respective officials and employees (collectively, the “Indemnites”, each an “Indemnitee”) harmless against any and all claims, liens, demands, judgments, penalties, fines, liabilities, settlements, damages, costs and expenses of whatever kind or nature (including, without limitation, attorneys’ fees and disbursements) arising out of or related to any of the operations under this License (regardless of whether or not the Licensee itself has been negligent) and/or the Licensee’s failure to comply with the law or any of the requirements of this License. Insofar as the facts or law relating to any of the foregoing would preclude any Indemnitee from being completely indemnified by the Licensee, such Indemnitee shall be partially indemnified by the Licensee to the fullest extent permitted by law.

(b) The Licensee’s obligation to defend, indemnify and hold the Indemnites harmless shall not be (i) limited in any way by the Licensee’s obligations to obtain and maintain insurance under this License, nor (ii) adversely affected by any failure on the part of the Indemnites to avail themselves of the benefits of such insurance.

(f) The Licensee shall be obligated to provide the City with a copy of any policy of insurance required under this Article upon request by the Commissioner or the New York City Law Department.

20.10 Miscellaneous

The Licensee shall simultaneously send a copy of such notice to the City of New York c/o Insurance Claims Specialist, Affirmative Litigation Division, New York City Law Department, 100 Church Street, New York, New York 10007.

(e) The Licensee's failure to secure and maintain insurance in complete conformity with this Article, or to give the insurance carrier timely notice on behalf of the City, or to do anything else required by this Article shall constitute a material breach of this License. Such breach shall not be waived or otherwise excused by any action or inaction by the City at any time.

(f) Insurance coverage in the minimum amounts provided for in this Article shall not relieve the Licensee of any liability under this License, nor shall it preclude the City from exercising any rights or taking such other actions as are available to it under any other provisions of this License or the law.

(g) In the event of any loss, accident, claim, action, or other event that does or can give rise to a claim under any insurance policy required under this Article, the Licensee shall at all times fully cooperate with the City with regard to such potential or actual claim.

(h) Apart from damages or losses covered by Workers' Compensation Insurance, Employers Liability Insurance, Disability Benefits Insurance, or Commercial Automobile Insurance, the Licensee waives all rights against RIPA and the City, including their respective officials and employees, for any damages or losses that are covered under any insurance required under this Article (whether or not such insurance is actually procured or claims are paid thereunder) or any other insurance applicable to the operations of the Licensee and/or its employees, agents, or servants of its contractors or subcontractors.

(i) In the event the Licensee receives notice, from an insurance company or other

person, that any insurance policy required under this Article shall expire or be cancelled or terminated (or has expired or been cancelled or terminated) for any reason, the Licensee shall immediately forward a copy of such notice to both the Commissioner, City of New York Department of Parks and Recreation, The Arsenal, 830 Fifth Avenue, New York, NY 10065, and the New York City Comptroller, Attn: Office of Contract Administration, Municipal Building, One Centre Street, Room 1005, New York, New York 10007. Notwithstanding the foregoing, the Licensee shall ensure that there is no interruption in any of the insurance coverage required under this Article.

21. WAIVER OF COMPENSATION

21.1 Licensee hereby expressly waives any and all claims for compensation for any and all loss or damage sustained by reason of any defects, including, but not limited to, deficiency or impairment of the water supply system, gas mains, electrical apparatus or wires furnished for the Licensed Premises, or by reason of any loss of any gas supply, water supply, heat or current which may occur from time to time, or for any loss resulting from fire, water, windstorm, tornado, explosion, civil commotion, strike or riot, and Licensee hereby expressly releases and discharges Commissioner, Commissioner's agents, and City from any and all demands, claims, actions, and causes of action arising from any of the causes aforesaid. Notwithstanding the foregoing, if Licensee's ability to make use of the Licensed Premises in accordance with the terms of this License Agreement is interrupted by an act of Commissioner or the City (or any official, employee or agent thereof), Parks may suspend operations under the License during such interruption.

21.2 Licensee further expressly waives any and all claims for compensation, loss of profit, or refund of its investment, if any, or any other payment whatsoever, in the event this License is terminated by Commissioner sooner than the fixed term because the Licensed Premises are required for any park or other public purpose, or because the License was terminated or revoked for any reason as provided herein.

22. INVESTIGATIONS

22.1 (a) The parties to this License shall cooperate fully and faithfully with any investigation, audit or inquiry conducted by a State of New York (hereinafter "State") or City governmental agency or authority that is empowered directly or by designation to compel the attendance of witnesses and to examine witnesses under oath, or conducted by the Inspector General of a governmental agency that is a party in interest to the transaction, submitted bid, submitted proposal, contract, lease, permit, or license that is the subject of the investigation, audit or inquiry.

(b) (i) If any person who has been advised that his or her statement, and any information from such statement, will not be used against him or her in any subsequent criminal proceeding refuses to testify before a grand jury or other governmental agency or authority empowered directly or by designation to compel the attendance of witnesses and to examine witnesses under oath concerning the award of or performance under any transaction, agreement, lease, permit, contract, or license entered into with the City, the State, or any political subdivision or public authority thereof, or the Port Authority of New York and New Jersey, or any local development corporation within the City, or any public benefit corporation organized under the

laws of the State of New York; or

(ii) If any person refuses to testify for a reason other than the assertion of his or her privilege against self-incrimination in an investigation, audit or inquiry conducted by a City or State governmental agency or authority empowered directly or by designation to compel the attendance of witnesses and to take testimony concerning the award of, or performance under, any transaction, agreement, lease, permit, contract, or license entered into with the City, the State, or any political subdivision thereof or any local development corporation within the City, then

(A) The Commissioner or agency head whose agency is a party in interest to the transaction, submitted bid, submitted proposal, contract, lease, permit, or license shall convene a hearing, upon not less than five (5) days' written notice to the parties involved to determine if any penalties should attach for the failure of any person to testify.

(B) If any non-governmental party to the hearing requests an adjournment, the Commissioner or agency head who convened the hearing may, upon granting the adjournment, suspend any contract, lease, permit, or license pending the final determination pursuant to Section 22(d) below without the City incurring any penalty or damages for delay or otherwise.

(c) The penalties which may attach after a final determination by the Commissioner or agency head may include but shall not exceed:

(i) The disqualification for a period not to exceed five (5) years from the date of an adverse determination of any person or entity of which such person was a member at the time the testimony was sought, from submitting bids for, or transacting business with, or entering into or obtaining any contract, lease, permit or license with or from the City; and/or

(ii) The cancellation or termination of any and all existing City contracts, leases, permits, or licenses that the refusal to testify concerns and that have not been assigned as permitted under this License, nor the proceeds of which pledged, to an unaffiliated and unrelated institutional lender for fair value prior to the issuance of the notice scheduling the hearing, without the City incurring any penalty or damages on account of such cancellation or termination; monies lawfully due for goods delivered, work done, rentals, or fees accrued prior to the cancellation or termination shall be paid by the City.

(d) The Commissioner or agency head shall consider and address in reaching his or her determination and in assessing an appropriate penalty the factors in Sections 22(d)(i) and (ii) below. He or she may also consider, if relevant and appropriate, the criteria established in Sections 22(d)(iii) and (iv) below in addition to any other information which may be relevant and appropriate.

(i) The party's good faith endeavors or lack thereof to cooperate fully and faithfully with any governmental investigation or audit, including but not limited to the discipline, discharge, or disassociation of any person failing to testify, the production of accurate and complete books and records, and the forthcoming testimony of all other members, agents, assignees or fiduciaries whose testimony is sought.

(ii) The relationship of the person who refused to testify to any entity that is a party to the hearing, including, but not limited to, whether the person whose testimony is sought has an ownership interest in the entity and/or the degree of authority and responsibility the person has within the entity.

(iii) The nexus of the testimony sought to the subject entity and its contracts, leases, permits or licenses with the City.

(iv) The effect a penalty may have on an unaffiliated and unrelated party or entity that has a significant interest in an entity subject to penalties under (c) above, provided that the party or entity has given actual notice to the Commissioner or agency head upon the acquisition of the interest, or at the hearing called for in Section 22(b)(ii)(A) above gives notice and proves that such interest was previously acquired. Under either circumstance, the party or entity must present evidence at the hearing demonstrating the potentially adverse impact a penalty will have on such person or entity.

(e) (i) The term “license” or “permit” as used herein shall be defined as a license, permit, franchise or concession not granted as a matter of right.

(ii) The term “person” as used herein shall be defined as any natural person doing business alone or associated with another person or entity as a partner, director, officer, principal or employee.

(iii) The term “entity” as used herein shall be defined as any firm, partnership, corporation, association, or person that receives monies, benefits, licenses, leases, or permits from or through the City or otherwise transacts business with the City.

(iv) The term “member” as used herein shall be defined as any person associated with another person or entity as a partner, director, officer, principal or employee.

(f) In addition to and notwithstanding any other provision of this License, the Commissioner or agency head may in his or her sole discretion terminate this License Agreement upon not less than three (3) days’ written notice in the event Licensee fails to promptly report in writing to the Commissioner of Investigation of the City of New York any solicitation of money, goods, requests for future employment or other benefit or thing of value, by or on behalf of any employee of the City of other person, firm, corporation or entity for any purpose which may be related to the procurement or obtaining of this agreement by the Licensee, or affecting the performance or this License Agreement.

23. CHOICE OF LAW, CONSENT TO JURISDICTION AND VENUE

23.1 This License Agreement shall be deemed to be executed in the City of New York, State of New York, regardless of the domicile of the Licensee, and shall be governed by and construed in accordance with the laws of the State of New York.

23.2 Any and all claims asserted by or against the City and/or RIPA arising under this License or related thereto shall be heard and determined either in the courts of the United States located in New York City (“Federal Courts”) or in the courts of the State of New York (“New York State Courts”) located in the City and County of New York. To effect this License Agreement and its intent, Licensee agrees:

(a) If the City and/or RIPA initiates any action against the Licensee in Federal Court or in New York State Court, service of process may be made on the Licensee either in person, wherever such Licensee may be found, or by registered mail addressed to the Licensee at its address set forth in this License, or to such other address as the Licensee may provide to the City in writing; and

(b) With respect to any action between the City and/or RIPA, and the Licensee in New York State Court, the Licensee hereby expressly waives and relinquishes any rights it might otherwise have (i) to move to dismiss on grounds of forum non conveniens, (ii) to remove to Federal Court; and (iii) to move for a change of venue to a New York State Court outside New York County.

23.3 With respect to any action between the City, RIPA and the Licensee in Federal Court located in New York City, the Licensee expressly waives and relinquishes any right it might otherwise have to move to transfer the action to a United States Court outside the City of New York.

23.4 If the Licensee commences any action against the City and/or RIPA in a court located other than in the City and State of New York, upon request of the City and/or RIPA, the Licensee shall either consent to a transfer of the action to a court of competent jurisdiction located in the City and State of New York or, if the court where the action is initially brought will not or cannot transfer the action, the Licensee shall consent to dismiss such action without prejudice and may thereafter reinstitute the action in a court of competent jurisdiction in New York City.

24. WAIVER OF TRIAL BY JURY

24.1 (a) Licensee hereby waives trial by jury in any action, proceeding, or counterclaim brought by the City and/or RIPA against Licensee in any matter related to this License.

(b) No action at law or proceeding in equity against the City and/or RIPA shall lie or be maintained upon any claim based upon this License Agreement or arising out of this License Agreement or in any way connected with this License Agreement unless Licensee shall have strictly complied with all requirements relating to the giving of notice and of information with respect to such claims, all as herein provided.

(c) No action shall lie or be maintained against the City and/or RIPA by Licensee upon any claims based upon this License unless such action shall be commenced within six (6) months of the termination or conclusion of this License, or within six (6) months after the accrual of the cause of action, whichever first occurs.

(d) In the event any claim is made or any action brought in any way relating to this License Agreement herein other than an action or proceeding in which Licensee and the City and/or RIPA are adverse parties, Licensee shall diligently render to the City of New York without additional compensation any and all assistance which Parks and/or the City of New York may reasonably require of Licensee.

25. CUMULATIVE REMEDIES - NO WAIVER

25.1 The specific remedies to which the City may resort under the terms of this License are cumulative and are not intended to be exclusive of any other remedies or means of redress to which it may be lawfully entitled in case of any default hereunder. The failure of the City to insist in any one or more cases upon the strict performance of any of the covenants of this License, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment for the future of such covenants or option.

26. EMPLOYEES

26.1 All experts, independent contractors, consultants, specialists, trainees, agents, and employees of Licensee who are employed by Licensee to perform work under this License are neither employees of the City nor under contract to the City, and Licensee alone is responsible for their work, direction, compensation and personal conduct while engaged under this License. Nothing included in this Article or in any other provision of this License shall be construed to impose any liability or duty upon the City for acts, omissions, liabilities or obligations of Licensee or any person, firm, company, agency, association, corporation or organization engaged by Licensee as expert, consultant, independent contractor, specialist, trainee, employee, servant, or agent or for taxes or fees of any nature including but not limited to unemployment insurance, workers' compensation, disability benefits and social security.

27. INDEPENDENT STATUS OF LICENSEE

27.1 Licensee is not an employee of the City and in accordance with such independent status neither Licensee nor its employees or agents will hold themselves out as, nor claim to be officers, employees, or agents of the City, or of any department, agency, or unit thereof, and they will not make any claim, demand, or application to or for any right or privilege applicable to an officer of, or employee of, the City, including but not limited to, workers' compensation coverage, unemployment insurance benefits, social security coverage, or employee retirement membership or credit.

28. CREDITOR-DEBTOR PROCEEDINGS

28.1 In the event any bankruptcy, insolvency, reorganization, or other creditor-debtor proceedings shall be instituted by or against the Licensee or its successors or assigns, or the guarantor, if any, the Security Deposit shall be deemed to be applied first to the payment of license fees and/or other charges due the City for all periods prior to the institution of such proceedings and the balance, if any, of the Security Deposit may be retained by the City in partial liquidation of the City's damages.

29. CONFLICT OF INTEREST

29.1 Licensee represents and warrants that neither it nor any of its directors, officers, members, partners or employees, has any interest nor shall they acquire any interest, directly or indirectly, which would or may conflict in any manner or degree with the performance or rendering of the services herein provided. Licensee further represents and warrants that in the performance of this License no person having such interest or possible interest shall be employed by it. No elected official or other officer or employee of the City, nor any person whose salary is payable, in whole or part, from the City treasury, shall participate in any decision relating to this License which affects his/her personal interest or the interest of any corporation, partnership or association in which he/she is, directly or indirectly, interested nor shall any such person have any interest, direct or indirect, in this License or in the proceeds thereof.

30. PROCUREMENT OF AGREEMENT

30.1 Licensee represents and warrants that no person or selling agency has been employed or retained to solicit or secure this License upon an agreement or understanding for a commission, percentage, brokerage fee, contingent fee or any other compensation. Licensee further represents and warrants that no payment, gift or thing of value has been made, given or promised to obtain this or any other agreement between the parties. Licensee makes such representations and warranties to induce the City to enter into this License and the City relies upon such representations and warranties in the execution hereof.

30.2 For a breach or violation of such representations or warranties, the Commissioner shall have the right to annul this License without liability, entitling the City to recover all monies paid hereunder, if any, and the Licensee shall not make any claim for, or be entitled to recover, any sum or sums due under this License. This remedy, if effected, shall not constitute the sole remedy afforded the City for the falsity or breach, nor shall it constitute a waiver of the City's right to claim damages or refuse payment or to take any other action provided by law or pursuant to this License.

31. NO CLAIM AGAINST OFFICIALS, AGENTS OR EMPLOYEES

31.1 No claim whatsoever shall be made by the Licensee against any officials, agent, or employee of the City and/or RIPA for, or on account of, anything done or omitted in connection with this License.

32. ALL LEGAL PROVISIONS DEEMED INCLUDED

32.1 Each and every provision of law required to be inserted in this License shall be and is deemed inserted herein, whether or not actually inserted.

33. SEVERABILITY: INVALIDITY OF PARTICULAR PROVISIONS

33.1 If any term or provision of this License or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of this License, or the application of such term or provision to persons or circumstances other than those as to which

it is held invalid or unenforceable, shall not be affected thereby, and each term and provision of this License shall be valid and enforceable to the fullest extent permitted by law.

34. JUDICIAL INTERPRETATION

34.1 Should any provision of this License require judicial interpretation, it is agreed that the court interpreting or considering same shall not apply the presumption that the terms hereof shall be more strictly construed against a party by reason of the rule of construction that a document should be construed more strictly against the party who itself or through its agent prepared the same, it being agreed that all parties hereto have participated in the preparation of this License and that legal counsel was consulted by each responsible party before the execution of this License.

35. MODIFICATION OF AGREEMENT

35.1 This License Agreement constitutes the whole of the agreement between the parties hereto, and no other representation made heretofore shall be binding upon the parties hereto. This License Agreement may be modified from time to time by agreement in writing, but no modification of this License Agreement shall be in effect until such modification has been agreed to in writing and duly executed by the party or parties affected by said modification.

36. NOTICES

36.1 Where provision is made herein for notice or other communication to be given in writing, the same shall be given by hand delivery or by mailing a copy of such notice or other communication by certified mail, return receipt requested, addressed to Commissioner or to the attention of Licensee at their respective addresses provided at the beginning of this License Agreement, or to any other address that Licensee shall have filed with Commissioner. Notices shall also be given by electronic mail to the electronic mail addresses for each party provided at the beginning of this License Agreement. An additional copy of all notices sent to Licensee shall also be sent by electronic mail to legal@cirquedusoleil.com.

37. LICENSEE ORGANIZATION, POWER AND AUTHORITY

37.1 Licensee and the individual executing this License Agreement on behalf of Licensee each represents and warrants that Licensee is a corporation duly organized, validly existing and in good standing under the laws of New York and has the power and authority to enter into this License Agreement and perform its obligations hereunder. This is a continuing representation and warranty.

38. MISCELLANEOUS

38.1 The headings of articles and paragraphs are inserted for convenience only and shall not be deemed to constitute part of this License Agreement or to affect the construction thereof. The use in this License Agreement of singular, plural, masculine, feminine and neuter pronouns shall include the others as the context may require.

39. ENTIRE AGREEMENT

39.1 This License Agreement constitutes the entire agreement between the parties and cannot be changed, modified or terminated orally, but only by an instrument in writing executed by Commissioner and Licensee.

40. COUNTERPARTS

40.1 This License may be executed in counterparts, each of which shall be an original and all of which counterparts taken together shall constitute one and the same License.

EXHIBIT D
NYC EARNED SAFE AND SICK TIME ACT CONCESSION AGREEMENT RIDER

A. *Introduction and General Provisions.*

1. The Earned Safe and Sick Time Act (“ESSTA”), codified at Title 20, Chapter 8 of the New York City Administrative Code, also known as the “Paid Safe and Sick Leave Law,” requires covered employees (as defined in Admin. Code § 20-912) in New York City (“City”) to be provided with paid safe and sick time. Contractors of the City or of other governmental entities may be required to provide safe and sick time pursuant to the ESSTA. The ESSTA is enforced by the City’s Department of Consumer and Worker Protection (“DCWP”), which has promulgated 6 RCNY §§ 7-101 and 201 *et seq.* (“DCWP Rules”).

2. The Contractor agrees to comply in all respects with the ESSTA and the DCWP Rules, and as amended, if applicable, in the performance of this agreement. The Contractor further acknowledges that such compliance is a material term of this agreement and that failure to comply with the ESSTA in performance of this agreement may result in its termination.

3. The Contractor must notify (with a copy to DCWP at ComplianceMonitoring@dcwp.nyc.gov) the Agency Chief Contracting Officer of the City Agency or other entity with whom it is contracting in writing within 10 days of receipt of a complaint (whether oral or written) or notice of investigation regarding the ESSTA involving the performance of this agreement. Additionally, the Contractor must cooperate with DCWP’s guidance and must comply with DCWP’s subpoenas, requests for information, and other document demands as set forth in the ESSTA and the DCWP Rules. More information is available at <https://www1.nyc.gov/site/dca/about/paid-sick-leave-what-employers-need-to-know.page>.

4. Upon conclusion of a DCWP investigation, Contractor will receive a findings letter detailing any employee relief and civil penalties owed. Pursuant to the findings, Contractor will have the opportunity to settle any violations and cure the breach of this agreement caused by failure to comply with the ESSTA either i) without a trial by entering into a consent order or ii) appearing before an impartial judge at the City’s administrative tribunal. In addition to and notwithstanding any other rights and remedies available to the City, non-payment of relief and penalties owed pursuant to a consent order or final adjudication within 30 days of such consent order or final adjudication may result in the termination of this agreement without further opportunity to settle or cure the violations.

5. The ESSTA is briefly summarized below for the convenience of the Contractor. The Contractor is advised to review the ESSTA and the DCWP Rules in their entirety. The Contractor may go to www.nyc.gov/PaidSickLeave for resources for employers, such as Frequently Asked Questions, timekeeping tools and model forms, and an event calendar of upcoming presentations and webinars at which the Contractor can get more information about how to comply with the ESSTA and the DCWP Rules. The Contractor acknowledges that it is responsible for compliance with the ESSTA and the DCWP Rules notwithstanding any

inconsistent language contained herein.

B. *Pursuant to the ESSTA and DCWP Rules: Applicability, Accrual, and Use.*

1. An employee who works within the City must be provided paid safe and sick time.¹ Employers with one hundred or more employees are required to provide 56 hours of safe and sick time for an employee each calendar year. Employers with fewer than one hundred employees are required to provide 40 hours of sick leave each calendar year. Employers must provide a minimum of one hour of safe and sick time for every 30 hours worked by an employee and compensation for such safe and sick time must be provided at the greater of the employee's regular hourly rate or the minimum wage at the time the paid safe or sick time is taken. Employers are not discouraged or prohibited from providing more generous safe and sick time policies than what the ESSTA requires.

2. Employees have the right to determine how much safe and sick time they will use, provided that an employer may set a reasonable minimum increment for the use of safe and sick time not to exceed four hours per day. For the use of safe time or sick time beyond the set minimum increment, an employer may set fixed periods of up to thirty minutes beyond the minimum increment. In addition, an employee may carry over up to 40 or 56 hours of unused safe and sick time to the following calendar year, provided that no employer is required to carry over unused paid safe and sick time if the employee is paid for such unused safe and sick time and the employer provides the employee with at least the legally required amount of paid safe and sick time for such employee for the immediately subsequent calendar year on the first day of such calendar year.

3. An employee entitled to safe and sick time pursuant to the ESSTA may use safe and sick time for any of the following:

- a. such employee's mental illness, physical illness, injury, or health condition or the care of such illness, injury, or condition or such employee's need for medical diagnosis or preventive medical care;
- b. such employee's care of a family member (an employee's child, spouse, domestic partner, parent, sibling, grandchild, or grandparent, the child or parent of an employee's spouse or domestic partner, any other individual related by blood to the employee, and any other individual whose close association with the employee is the equivalent of a family relationship) who has a mental illness, physical illness, injury or health condition or who has a need for medical diagnosis or preventive medical care;
- c. closure of such employee's place of business by order of a public official due to a public health emergency;
- d. such employee's need to care for a child whose school or childcare provider has been closed due to a public health emergency; or

¹ Pursuant to the ESSTA, if fewer than five employees work for the same employer, and the employer had a net income of less than one million dollars during the previous tax year, such employer has the option of providing such employees uncompensated safe and sick time.

e. when the employee or a family member has been the victim of a family offense matter, sexual offense, stalking, or human trafficking:

1. to obtain services from a domestic violence shelter, rape crisis center, or other shelter or services program for relief from a family offense matter, sexual offense, stalking, or human trafficking;
2. to participate in safety planning, temporarily or permanently relocate, or take other actions to increase the safety of the employee or employee's family members from future family offense matters, sexual offenses, stalking, or human trafficking;
3. to meet with a civil attorney or other social service provider to obtain information and advice on, and prepare for or participate in any criminal or civil proceeding, including but not limited to, matters related to a family offense matter, sexual offense, stalking, human trafficking, custody, visitation, matrimonial issues, orders of protection, immigration, housing, discrimination in employment, housing or consumer credit;
4. to file a complaint or domestic incident report with law enforcement;
5. to meet with a district attorney's office;
6. to enroll children in a new school; or
7. to take other actions necessary to maintain, improve, or restore the physical, psychological, or economic, health or safety of the employee or the employee's family member or to protect those who associate or work with the employee.

4. An employer must not require an employee, as a condition of taking safe and sick time, to search for a replacement. However, where the employee's need for safe and sick time is foreseeable, an employer may require an employee to provide reasonable notice of the need to use safe and sick time. For an absence of more than three consecutive work days, an employer may require reasonable documentation that the use of safe and sick time was needed for a reason listed in Admin. Code § 20-914; and/or written confirmation that an employee used safe and sick time pursuant to the ESSTA. However, an employer may not require documentation specifying the nature of a medical condition, require disclosure of the details of a medical condition, or require disclosure of the details of a family offense matter, sexual offense, stalking, or human trafficking, as a condition of providing safe and sick time. Health information and information concerning family offenses, sexual offenses, stalking or human trafficking obtained solely due to an employee's use of safe and sick time pursuant to the ESSTA must be treated by the employer as confidential. An employer must reimburse an employee for all reasonable costs or expenses incurred in obtaining such documentation for the employer.

5. An employer must provide to all employees a written policy explaining its method of calculating sick time, policies regarding the use of safe and sick time (including any permissible discretionary conditions on use), and policies regarding carry-over of unused time at

the end of the year, among other topics. It must provide the policy to employees using a delivery method that reasonably ensures that employees receive the policy. If such employer has not provided its written policy, it may not deny safe and sick time to an employee because of non-compliance with such a policy.

6. An employer must provide a pay statement or other form of written documentation that informs the employee of the amount of safe/sick time accrued and used during the relevant pay period and the total balance of the employee's accrued safe/sick time available for use.

7. Safe and sick time to which an employee is entitled must be paid no later than the payday for the next regular payroll period beginning after the safe and sick time was used.

C. *Exemptions and Exceptions.* Notwithstanding the above, the ESSTA does not apply to any of the following:

1. an independent contractor who does not meet the definition of employee under N.Y. Labor Law § 190(2);

2. an employee covered by a valid collective bargaining agreement, if the provisions of the ESSTA are expressly waived in such agreement and such agreement provides a benefit comparable to that provided by the ESSTA for such employee;

3. an audiologist, occupational therapist, physical therapist, or speech language pathologist who is licensed by the New York State Department of Education and who calls in for work assignments at will, determines their own schedule, has the ability to reject or accept any assignment referred to them, and is paid an average hourly wage that is at least four times the federal minimum wage;

4. an employee in a work study program under Section 2753 of Chapter 42 of the United States Code;

5. an employee whose work is compensated by a qualified scholarship program as that term is defined in the Internal Revenue Code, Section 117 of Chapter 20 of the United States Code; or

6. a participant in a Work Experience Program (WEP) under N.Y. Social Services Law § 336-c.

D. *Retaliation Prohibited.* An employer shall not take any adverse action against an employee that penalizes the employee for, or is reasonably likely to deter the employee from or interfere with the employee exercising or attempting in good faith to exercise any right provided by the ESSTA. In addition, an employer shall not interfere with any investigation, proceeding, or hearing pursuant to the ESSTA.

E. *Notice of Rights.*

1. An employer must provide its employees with written notice of their rights pursuant to the ESSTA. Such notice must be in English and the primary language spoken by an employee, provided that DCWP has made available a translation into such language. Downloadable notices are available on DCWP's website at <https://www1.nyc.gov/site/dca/about/Paid-Safe-Sick-Leave-Notice-of-Employee-Rights.page>. The notice must be provided to the employees by a method that reasonably ensures personal receipt by the employee.

2. Any person or entity that willfully violates these notice requirements is subject to a civil penalty in an amount not to exceed \$50.00 for each employee who was not given appropriate notice.

F. *Records.* An employer must retain records documenting its compliance with the ESSTA for a period of at least three years, and must allow DCWP to access such records in furtherance of an investigation related to an alleged violation of the ESSTA.

G. *Enforcement and Penalties.*

1. Upon receiving a complaint alleging a violation of the ESSTA, DCWP must investigate such complaint. DCWP may also open an investigation to determine compliance with the ESSTA on its own initiative. Upon notification of a complaint or an investigation by DCWP, the employer must provide DCWP with a written response and any such other information as DCWP may request. If DCWP believes that a violation of the ESSTA has occurred, it has the right to issue a notice of violation to the employer.

2. DCWP has the power to grant an employee or former employee all appropriate relief as set forth in Admin. Code § 20-924(d). Such relief may include, but is not limited to, treble damages for the wages that should have been paid; statutory damages for unlawful retaliation; and damages, including statutory damages, full compensation for wages and benefits lost, and reinstatement, for unlawful discharge. In addition, DCWP may impose on an employer found to have violated the ESSTA civil penalties not to exceed \$500.00 for a first violation, \$750.00 for a second violation within two years of the first violation, and \$1,000.00 for each succeeding violation within two years of the previous violation. When an employer has a policy or practice of not providing or refusing to allow the use of safe and sick time to its employees, DCWP may seek penalties and relief on a per employee basis.

3. Pursuant to Admin. Code § 20-924.2, (a) where reasonable cause exists to believe that an employer is engaged in a pattern or practice of violations of the ESSTA, the Corporation Counsel may commence a civil action on behalf of the City in a court of competent jurisdiction by filing a complaint setting forth facts relating to such pattern or practice and requesting relief, which may include injunctive relief, civil penalties and any other appropriate relief. Nothing in § 20-924.2 prohibits DCWP from exercising its authority under section 20-924 or the Charter, provided that a civil action pursuant to § 20-924.2 shall not have previously been commenced.

H. *More Generous Policies and Other Legal Requirements.* Nothing in the ESSTA is intended to discourage, prohibit, diminish, or impair the adoption or retention of a more

generous safe and sick time policy, or the obligation of an employer to comply with any contract, collective bargaining agreement, employment benefit plan or other agreement providing more generous safe and sick time. The ESSTA provides minimum requirements pertaining to safe and sick time and does not preempt, limit, or otherwise affect the applicability of any other law, regulation, rule, requirement, policy or standard that provides for greater accrual or use by employees of safe and sick leave or time, whether paid or unpaid, or that extends other protections to employees. The ESSTA may not be construed as creating or imposing any requirement in conflict with any federal or state law, rule or regulation.

The Contractor may also be referred to in this Exhibit G as a “party liable for payment” where applicable;

(2) “Licensee” shall have the meaning given such term in the License Agreement. The Licensee may also be referred to in this Exhibit G as a party liable for payment where applicable; and

(3) “Subcontractor” means a person, firm or corporation, excluding employees of a Contractor, who or which contracts with a Contractor to furnish, or actually furnishes, labor, material, equipment, supplies, or any combination thereof to a Contractor in connection with the work for the Capital Improvement Project. The Subcontractor may also be referred to in this Exhibit G as a “party liable for payment” where applicable.

(B) Licensee shall, in accordance with the terms of this Exhibit G, guarantee payment of all lawful claims for:

(1) Wages and compensation for labor performed and/or services rendered; and

(2) Materials, equipment, and supplies provided, whether incorporated into the Capital Improvement Project or not, when demands have been filed with the Licensee as provided hereinafter by any person, firm, or corporation which furnished labor, material, equipment, supplies, or any combination thereof, in connection with the Capital Improvement Project (hereinafter referred to as a “beneficiary”) performed at the direction of the Licensee, the Contractor, or a Subcontractor of the Contractor; and

II. The provisions of Section I.(B) of this Exhibit G are subject to the limitations and conditions in this Section II and in Sections III and IV of this Exhibit G:

(A) The guarantee is made for the benefit of all beneficiaries as defined in Section I.(B) of this Exhibit G, provided that those beneficiaries strictly adhere to the terms and conditions of this Section II of this Exhibit G.

(B) Nothing in this Exhibit G shall prevent a beneficiary providing labor, services or material for the Capital Improvement Project from suing the person, firm or corporation for whom such labor, services or material was provided for any amounts due and owing the beneficiary by such person, firm or corporation.

(C) Every person who has furnished labor or material, to the Licensee, a Contractor or to a Subcontractor of the Contractor, in the prosecution of the Capital Improvement Project and who has not been paid in full therefor before the expiration of a period of ninety (90) days after the date on which the last of the labor was performed or material was furnished by him/her for which the claim is made, shall have the right to sue on this payment guarantee in his/her own name for the amount, or the balance thereof, unpaid at the time of commencement of the action, by filing a demand hereunder; provided, however, that a person having a direct contractual relationship with a Subcontractor of the Contractor but no contractual relationship express or implied with the Contractor shall not have a right of action upon the guarantee unless he/she shall have given written notice to the Contractor within one hundred twenty (120) days from the date on which the last of the labor was performed or the last of the material was furnished, for which his/her claim is made, stating with substantial accuracy the amount claimed and the name of the party to whom the material was furnished or for whom the labor was performed. The notice shall be served by delivering the same personally to the Contractor or by mailing the same by registered mail, postage prepaid, in an envelope addressed to the Contractor at any place where it maintains an office or conducts its business; provided, however, that where such notice is actually received by the Contractor by other means, such notice shall be deemed sufficient.

(D) No action on this payment guarantee shall be commenced after the expiration of two (2) years after the completion of the Capital Improvement Project.

(E) A Contractor shall promptly forward to the Licensee any notice or demand received pursuant to Section II.(C) of this Exhibit G. The Contractor shall inform the Licensee of any defenses to the notice or demand and shall forward to the Licensee any documents the Licensee requests concerning the notice or demand. If the Contractor has a claim against the Licensee as described in the first sentence of Section II.(C) of this Exhibit G, the Contractor shall promptly forward such demand to the Licensee.

(F) All demands made against the Licensee by a beneficiary of this payment guarantee shall be presented to the Licensee along with all written documentation concerning the demand which the Licensee deems reasonably appropriate or necessary, which may include, but shall not be limited to: the contract or subcontract; any invoices presented to the party liable for payment; the notarized statement of the beneficiary that the demand is due and payable, that a request for payment has been made of the party liable for payment and that the demand has not been paid by the party liable for payment within the time allowed for such payment by the contract or subcontract; and copies of any correspondence between the beneficiary and the party liable for payment concerning such demand. If the party liable for payment is not the Licensee, the Licensee shall notify the party liable for payment that a demand has been made. The party liable for payment shall inform the Licensee of any defenses to the demand and shall forward to the Licensee any documents the Licensee requests concerning the demand.

(G) The Licensee shall make payment as described in Section IV only if, after considering all defenses presented to the claim for payment, it determines that the payment is due and owing to the beneficiary making the demand.

(H) No beneficiary shall be entitled to interest from the Licensee, or to any other costs, including, but not limited to, attorneys' fees, except to the extent required by applicable law.

III. Upon the receipt by the Licensee of a demand pursuant to this Exhibit G, in the case where the Licensee is not the party liable for payment, the Licensee may withhold from any payment otherwise due and owing to the Contractor an amount sufficient to satisfy the demand.

IV. (A) In the event the Licensee determines that the demand is valid and the Licensee is not the party liable for payment, the Licensee shall notify the party liable for payment of such determination and the amount thereof, and direct the party liable for payment to immediately pay such amount to the beneficiary. In the event the party liable for payment, within seven (7) days of receipt of such notification from the Licensee, fails to pay the beneficiary, the Licensee shall pay the amount due and owing to the beneficiary within seven (7) days of the date on which Licensee becomes aware of such failure to pay the beneficiary.

(B) In the event the Licensee determines that the demand is valid and the Licensee is the party liable for payment, the Licensee shall pay the amount due and owing to the beneficiary within seven (7) days of the date on which Licensee determines that the demand is valid.

(C) In the event the Licensee determines that the demand is invalid, any amount withheld pending the Licensee's review of such demand shall be paid to the Contractor; provided, however, no lien has been filed. In the event a lien has been filed, the parties will be governed by the provisions of the Lien Law of the State of New York. The Licensee shall provide written notification of its determination that the demand is invalid to the beneficiary that made such demand.

V. Nothing in this Exhibit G shall relieve a party liable for payment of the obligation to pay the claims of all persons with valid and lawful claims against such party relating to the Capital Improvement Project.

VI. Notwithstanding any provision to the contrary contained in the License Agreement (including this Exhibit G), the payment guarantee made pursuant to this Exhibit G shall be construed in a manner consistent with Section 5 of the New York Lien Law.

For example, when available, our souvenir programs are printed on 100% post consumer recycled paper and are FSC certified, using a vegetable ink and a water-based glue. All of the Las Vegas productions meet these criteria. We offer reusable bags to our customers for their purchases. We have introduced products using organic cotton and bamboo, and all CD booklets are printed on 100% recycled

TPG Portfolio Company Highlight

Cirque Du Soleil, one of the largest theatrical producers in the world, has adopted industry-leading environmental policy that is based on major themes: water management, greenhouse gas management, residual and hazardous waste management, employee education and awareness building.

New Tents Save Energy

To reduce greenhouse gas emissions while also improving the quality of the experience for attendees as well as the safety for artists and technicians, Cirque has transitioned from their iconic blue and yellow Big Top canvas to a lighter-colored version. The new Big Top canvas reflects the sun's rays, reducing air-conditioning costs and solar glare saving \$60-100k per show per year.

We want to make a difference in the lives of youths and encourage them to change the world; our Sun, which represents energy and youth, is our connection to them. I am proud of the work of the Cirque du Soleil performers, artisans and employees, and I am honoured that together we are building a responsible company that uses its creative powers to make the world better.

- Daniel Lamarre, President and CEO

Connecting 50% of Its Big Top Sites to Local Power Grids

In order to reduce emissions, Cirque set the ambitious goal of connecting shows to cities' power grids whenever possible, rather than using generators to create electricity.

Increased Recycling, Composting, and Waste Reduction Efforts

For its Touring Shows Division, Cirque reassessed how it uses rugs in big top concession tents to better reuse equipment from one town to the next and reduce waste produced from the shows. At its IHO, Cirque began using DocuSign, a software program that allows users to electronically sign documents and contracts. Thanks to this program, the company has avoided printing thousands of documents. In the first year alone, this program permitted a savings of nearly 20,000 pages of paper.
