ABOUT NYC PARKS GREENTHUMB

Established in 1978, NYC Parks GreenThumb is proud to be the nation's largest urban community gardening program, assisting over 550 gardens and over 20,000 volunteer gardeners on 100 combined acres of open space throughout New York City. Green Thumb's mission is to educate and support community gardens across the five boroughs while preserving open space. By providing free garden materials, technical assistance, educational workshops, and seasonal programs, Green Thumb supports neighborhood volunteers who steward community gardens as active resources that strengthen communities.
