The minutes of the previous meeting were read and approved.

The following communications were received :

From the Chief Engineer, Borough of The Bronx, reporting a time statement on the work under contract with John R. Sheehan for constructing four entrances to the New York Zoological Park in Bronx Park, and recommending that no penalty be charged against the contractor for overtime, which was not due to fault on his part.

Commissioner Moebus offered the following :

Resolved, That the report of the Chief Engineer of the Borough of The Bronx, upon the application of John R. Sheehan for the remission of the penalty for overtime on his contract for furnishing all labor and all materials for constructing four entrances to the New York Zoological Park in Bronx Park in The City of New York be approved, and that the penalty for overtime, ninety-four and one-half days, be remitted as recommended, the delay being due to causes not the fault of the contractor.

Which was adopted by the following vote :

Ayes—Commissioners Clausen, Moebus, Brower—3.

From Carrere & Hastings, Architects—Reporting a time statement on the work under contract with Kelly & Kelley for the improvement of Hamilton Fish Park, and recommending that the time fixed for the completion of the same be extended to June 1, 1900, on account of delays not the fault of the contractors.

Commissioner Clausen offered the following :

Resolved, That the work, as performed and completed under contract with Kelly & Kelley, for the improvement of a park in the Eleventh Ward (Hamilton Fish Park) be and the same hereby is accepted, and that the time for the completion of said work be extended to June 1, 1900, as recommended by the architects.

Which was adopted by the following vote :

Ayes—Commissioners Clausen, Moebus, Brower—3.

From C. C. Martin, Civil Engineer, reporting as to the merits of the Oastler Road Roller and the Springfield Road Roller in their adaptability to park use.

On motion of Commissioner Brower the resolution adopted rejecting all bids received March 1, 1900, for a steam road roller for parks in the Borough of Brooklyn was rescinded, the same having been inadvertently applied to all bids, instead of the lowest, which was informal, and the contract was awarded to William Churchill Oastler, the lowest bidder, in conformity with the specifications, by the following vote :

Ayes—Commissioners Clausen, Moebus, Brower—3.

Commissioner Brower offered the following :

Resolved, That the proposal of the lowest formal bidder, this day received, for regulating, grading, etc., the Bay Ridge parkway, in the Borough of Brooklyn, The City of New York, be

forwarded to the Comptroller for his approval of the sureties thereon; and when so approved, that a contract for the work be executed by the Commissioners.

Which was adopted by the following vote :

Ayes—Commissioners Clausen, Moebus, Brower—3.

Commissioner Brower offered the following :

Resolved, That, pursuant to the terms of the contract with Harris & Maguire, dated May 29, 1900, for furnishing and delivering loam on the Ocean parkway, Brooklyn Borough, the quantity therein called for, be and the same hereby is increased, as may be required, not exceeding twenty-five per cent.

Which was adopted by the following vote :

Ayes—Commissioners Clausen, Moebus, Brower—3.

Commissioner Brower offered the following :

Resolved, That, pursuant to the terms of the contract with James Casey for cement pipe, etc., for parks in the Borough of Brooklyn, the quantity of 15-inch pipe called for therein, be and the same hereby is increased, as may be required, not exceeding twenty-five per cent.

Which was adopted by the following vote :

Ayes—Commissioners Clausen, Moebus, Brower—3.

Commissioner Brower offered the following :

Resolved, That, pursuant to the terms of the contract with Ellwood Weeks, dated January 22, 1900, for bricks and cement for parks in the Borough of Brooklyn, the quantity of North River hard brick therein called for be and the same hereby is increased as may be required, not exceeding twenty-five per cent.

Which was adopted by the following vote :

Ayes—Commissioners Clausen, Moebus, Brower—3.

On motion, at 11.50 A. M., the Board adjourned.

WILLIS HOLLY, Secretary.

The minutes of the previous meeting were read and approved.

The following communications were received :

From the Secretary of the Board of Estimate and Apportionment—Forwarding copy of resolutions approving form of contract and specifications for the work embraced in Contract No. 3 on the New York Public Library, Astor, Lenox and Tilden Foundations, and authorizing a bond issue of \$2,850,000 for doing the work. Filed.

From the Chief Engineer, Borough of The Bronx—

1st. Submitting a time statement on the work performed under contract for regulating, grading and paving the existing roads near the Botanical Museum in Bronx Park, and recommending that the penalty for overtime (41 days) be remitted on account of delays not due to fault on the part of the contractor.

Commissioner Moebus offered the following :

Resolved, That the report of the Chief Engineer of the Borough of The Bronx, upon the application of John B. Devlin, contractor, for the remission of the penalty for overtime on his contract for regulating, grading and paving the existing roads near the Botanical Museum in Bronx Park, in The City of New York, be approved, and that the penalty for overtime, forty-one days, be remitted as recommended, the delay being due to causes not the fault of the contractor.

Which was adopted by the following vote :

Ayes—Commissioners Clausen, Moebus, Brower—3.

2d. Submitting a time statement on the performance of work under contract for grading, paving and improving existing roads from the Bronx and Pelham parkway to and around the Nursery in Bronx Park, and recommending that all penalty for the overtime (31½ days) be remitted on account of delays which were not due to fault on the part of the contractor.

Commissioner Moebus offered the following :

Resolved, That the report of the Chief Engineer of the Borough of The Bronx, upon the

application of John B. Devlin & Co., contractors, for the remission of the penalty for overtime on their contract for grading, paving and improving existing roads, from the Bronx and Pelham parkway to and around the Nursery in Bronx Park in The City of New York, be approved, and that the penalty for overtime, thirty-one and one-half days, be remitted as recommended, the delay being due to causes not the fault of the contractors.

Which was adopted by the following vote :

Ayes—Commissioners Clausen, Moebus, Brower—3.

Commissioner Clausen offered the following :

Resolved, That the proposals of the lowest respective bidders, this day received, be forwarded to the Comptroller for his approval of the sureties thereon, and when so approved, that contracts for the works and supplies be executed by the Commissioners.

Which was adopted by the following vote :

Ayes—Commissioners Clausen, Moebus, Brower—3.

Commissioner Brower offered the following :

Resolved, That deeming it to the interest of the City so to do, this Board hereby rejects the bid of F. W. H. Nelson, received January 10, 1901, for coal for parks in the Borough of Brooklyn, the same being the only bid received for such material.

Which was adopted by the following vote :

Ayes—Commissioners Clausen, Moebus, Brower—3.

On motion, at 11.50 A. M., the Board adjourned.

WILLIS HOLLY, Secretary.

DEPARTMENT OF PARKS.

THURSDAY, FEBRUARY 21, 1901—ADJOURNED MEETING, 11 A. M.

Present—Commissioners Moebus, Brower.

In the absence of the President Commissioner Moebus was called to the chair.

A communication was received from the Chief Engineer, boroughs of Manhattan and Richmond, submitting a time statement on the contract for constructing a sewer in Riverside drive, between Ninety-fifth and Ninety-seventh streets, covering connections with existing sewers, etc., and recommending that the time specified for its completion be extended to January 23, 1901, the day on which the work was finished, and recommending further, that the sum of \$150 be retained from the final payment as security for erecting two drop-wells and setting heads on same, which work must necessarily be deferred until the Ninety-sixth Street Viaduct is completed.

Commissioner Clausen offered the following :

Resolved, That the time for the completion of contract for constructing a sewer in Riverside drive, between Ninety-fifth and Ninety-seventh streets, with connections, etc., be and the same hereby is extended to January 3, 1901, on account of unavoidable delays not due to fault on the part of the contractor, and that the sum of one hundred and fifty dollars be retained from the final estimate, as security to pay for the completion of constructing two drop-wells and for resetting heads on the same, which work cannot be prosecuted until the work of constructing a viaduct carrying Riverside drive over Ninety-sixth street, has been completed.

Which was adopted by the following vote :

Ayes—Commissioners Clausen, Brower—2.

Commissioner Clausen offered the following :

Resolved, That the proposals of the lowest respective bidders, this day received, be forwarded to the Comptroller for his approval of the sureties thereon, and when so approved that contracts for the supplies be executed by the Commissioners.

The following communications were received :

From the Clerk of the Board of Estimate and Apportionment, forwarding copies of resolutions as follows :

1. Rescinding resolutions authorizing, subject to concurrence of the Municipal Assembly, a bond issue of \$6,500 for completing the East River Park sea-wall and a bond issue of \$3,500 for the improvement of Hamilton Fisk Park.

2. Approving of an expenditure of \$44,500, for constructing improved toilet facilities in the city parks in the Borough of Manhattan, and authorizing, subject to the concurrence of the Municipal Assembly, a bond issue to that amount for that purpose.

Filed.

From the Chief Engineer, Borough of The Bronx, submitting a time statement on the contract for constructing a public comfort building in the New York Zoological Park, Bronx Park.

Commissioner Moebus offered the following :

Resolved, That the report of the Chief Engineer of the Borough of The Bronx, upon the application of N. W. Ryan for the remission of the penalty for overtime on his contract for furnishing all labor and all materials for constructing a public comfort building in the New York Zoological Park, in Bronx Park, in The City of New York, be approved and that the penalty for overtime (44½ days) be remitted, as recommended, the delay being due to causes not the fault of the contractor.

Which was adopted by the following vote :

Ayes—Commissioners Clausen, Moebus, Brower—3.

Commissioner Moebus offered the following :

Resolved, That the proposal of the lowest formal bidder for erecting a range of Horticultural buildings in Botanical Garden grounds, in Bronx Park, for which bids were received on the 11th instant, be forwarded to the Comptroller for his approval of sureties, and when so approved that a contract be executed therefor by the Commissioner of Parks for the Borough of The Bronx.

Which was adopted by the following vote :

Ayes—Commissioners Clausen, Moebus, Brower—3.

Commissioner Clausen offered the following :

Resolved, That the proposals of the lowest formal bidders, this day received, excepting that for fixtures for the new wing, Metropolitan Museum of Art, be forwarded to the Comptroller for his approval of the sureties thereon, and when so approved that contracts for the several works and supplies be executed by the Commissioners.

Which was adopted by the following vote :

Ayes—Commissioners Clausen, Moebus, Brower—3.

On motion, at 11.40 A. M., the Board adjourned.

WILLIS HOLLY, Secretary.
