Resolved, That the time stipulated for the completion of the work under contract with Frederick Koopman, contractor, for "Furnishing all the labor and materials necessary to completely erect and finish a concrete-steel and stone bridge over the Bronx river, near Newell avenue, in the New York Botanical Garden, in Bronx Park," be, and the same is hereby extended to May 1, 1904, in accordance with the recommendation of the Chief Engineer for the Borough of The Bronx:

Which was adopted by the following vote:

Ayes—Commissioners Pallas, Schmitt—2.

On motion, at 3.40 P. M. the Board adjourned.

WILLIS HOLLY, Secretary.

DEPARTMENT OF PARKS.

THURSDAY, MAY 5, 1904—STATED MEETING 3 P. M.

Present—Commissioners Pallas (President), Schmitt, Kennedy.

The minutes of the previous meeting were read and approved.

The following communications were received:

From the Mayor, forwarding a copy of resolutions adopted by the People's Institute respecting the establishment of a Seaside park. Filed.

From the Chairman of the Runs and Tours Committee of the Automobile Club of America, in relation to the rate of speed of vehicles on the parks and parkways, and recommending that the rules be changed to admit of a greater speed.

Debate was had thereon, whereupon the Secretary was directed to reply that, in the opinion of the Board, a greater rate of speed than eight miles an hour as contained in the park ordinances recently adopted, and now awaiting the approval of the Board of Aldermen, is not advisable.

Commissioner Pallas offered the following:

Resolved, That the proposals of the lowest formal bidders respectively for supplies for parks in the Borough of Manhattan, for which bids were received on the 28th ult., be forwarded to the Comptroller for his approval of sureties, and when so approved that contracts for the same be entered into and executed by the President for and on behalf of this Board.

Which was adopted by the following vote:

Ayes—Commissioners Pallas, Schmitt, Kennedy—3.

Commissioner Pallas offered the following:

Resolved, That the Municipal Civil Service Commission be and hereby is requested to include in the exempt class of employees of this Department the grade or position of General Inspector.

Which was adopted by the following vote:

Ayes—Commissioners Pallas, Schmitt, Kennedy—3.

On motion of Commissioner Schmitt, the Secretary was directed to communicate with the Board of Estimate and Apportionment, calling attention to the action taken by the Park Board of October 22 last, in relation to the planting of trees on certain streets and avenues in the Borough of The Bronx, and ask whether further action by this Board is deemed necessary or required in this matter.

On motion, at 3.35 P. M., the Board adjourned.

CLINTON H. SMITH, Assistant Secretary.

DEPARTMENT OF PARKS.

THURSDAY, MAY 12, 1904—STATED MEETING 3 P. M.
