The minutes of the previous meeting were read and approved.

Commissioner Stover offered the following:

Resolved, That all the bids or proposals received March 24, 1910, for completing the contract abandoned by the Crescent Construction Company for the alteration of the Pergola Building in DeWitt Clinton Park be and the same hereby are rejected, it being deemed for the interest of the City so to do.

Which was adopted by the following vote:

Ayes—Commissioners Stover, Higgins, Kennedy—3.

Commissioner Kennedy offered the following:

Whereas, A contract was awarded by the Park Board to the William H. Luth Company, the lowest formal bidder, on May 21, 1908, for the erection of a shelter house in Fulton Park, Borough of Brooklyn, and whereas the said contractors having failed to carry on the work in a satisfactory manner, and the architects, Messrs. Hemle & Huberty, having certified to the Commissioner of Parks for the Boroughs of Brooklyn and Queens in accordance with clause "Q" of said contract, under date of January 25, 1910, that work on said contract was not being carried on according to the terms thereof, and whereas, on March 28, 1910, the Commissioner of Parks for the Boroughs of Brooklyn and Queens, in accordance with clause "Q," having declared said contract abandoned, and having notified the William H. Luth Company and their sureties to that effect, be it

Resolved, That the action of the Commissioner of Parks for the Boroughs of Brooklyn and Queens in declaring abandoned the said contract be and the same is hereby ratified.

Which were adopted by the following vote:

Ayes—Commissioners Stover, Higgins, Kennedy—3.

Commissioner Kennedy offered the following:

Resolved, That the Commissioner of Parks for the Boroughs of Brooklyn and Queens be and he hereby is authorized to advertise for proposals for completing the contract awarded under date of May 21, 1908, to the William H. Luth Company, and declared abandoned, for work and materials required for the erection and completion of a shelter house in Fulton Park, Borough of Brooklyn, together with all the work incidental thereto.

Which was adopted by the following vote:

Ayes—Commissioners Stover, Higgins, Kennedy—3.

Commissioner Higgins offered the following:

Resolved, That the proposal of the lowest formal bidder for furnishing and delivering broken trap rock and trap rock screenings for parks in The Bronx, for which bids were received April 7, 1910, be forwarded to the Comptroller for his approval of sureties, and when so approved that a contract for the same be entered into and executed by the President for and on behalf of this Board.

Which was adopted by the following vote:

Ayes—Commissioners Stover, Higgins, Kennedy—3.

On motion, at 3.30 p. m., a recess was taken until 4 p. m.

The Board then reconvened.

The minutes of the previous meeting were read and approved.

A communication was received from the Consulting Engineer of the Borough of The Bronx submitting on behalf of the Board of Consulting Engineers of the several Boroughs of the City for the approval of this Board an ordinance concerning the opening of street pavements and the restoration thereof prepared in a form to cover the suggestions made by this Department with the view of making the same apply uniformly to all streets of the City.

The matter was considered, whereupon, on motion of Commissioner Kennedy the Consulting Engineers were requested to add to Section 17 of the proposed ordinance respecting the storage of building or other material on the streets, the clause first suggested by this Board requiring that in all such cases the roadway be properly planked before the building materials are deposited in place. Otherwise the form of the proposed ordinance as submitted was approved.

At this point the Commissioners present were served with a notice of motion and petition in a suit of the People ex rel Browning, King & Co., Petitioner, against the Commissioners of Parks, for a peremptory writ of mandamus for the removal of certain structures encroaching on Broadway, West Thirty-second street and Sixth avenue, in the Borough of Manhattan.
