PARK BOARD.

Stated meeting, Tuesday, January 10, 1928, 2:30 P. M.

Present—Commissioners Herrick (President), Browne, O'Rourke.

A representative of the Comptroller being present, and the meeting open to the public, the estimate box was opened and all the bids or proposals received pursuant to duly published advertisement, were opened and read as follows:

Borough of Brooklyn

For furnishing all labor and materials necessary or required for the improvement of the American Playground at Franklin, Noble, Milton and West Streets, Borough of Brooklyn, together with all work incidental thereof.

There being no objection, the President directed that the reading of the Minutes of the previous Meeting be dispensed with.

Commissioner Herrick offered the following:

Resolved, That the time stipulated for the completion of contract #85605 between this Department and Ascher Engineering and Construction Co., for altering Park Board Room, for which bids were received by the Park Board Sept. 27, 1927, be extended to January 14, 1928, the reasons for the delay being beyond the control of the Contractors.

Which was adopted by the following vote:

Ayes—Commissioners Herrick, Browne, O'Rourke—3.

Commissioner O'Rourke, by request, offered the following:

Resolved, That the time stipulated for the completion of work in Contract #84233 with H. B. Greene Contracting Co., 26 Cortland Street, for furnishing all labor and materials necessary or required for wholly and fully completing Septic Tanks and Pent Houses, including flexible joint cast iron pipes, piping and connections, etc., at Orchard Beach, in Pelham Bay Park, in the Borough of The Bronx, in The City of New York, together with all work incidental thereto, bids for which were received by the Park Board May 17, 1927, be and the same is hereby extended to February 1st, 1928, the reasons for the delay being beyond the control of the contractors.

Which was adopted by the following vote:

Ayes—Commissioners Herrick, Browne, O'Rourke—3.

Commissioner Browne offered the following:

Resolved, That the proposal of the lowest formal bidder, received by the Park Board January 10, 1928, for furnishing all labor and materials necessary or required for the improvement of the American Playground at Franklin, Noble, Milton and West Streets, Borough of Brooklyn, together with all work incidental thereto, be forwarded to the Comptroller for approval of securities, and when so approved that a contract for the same be entered into and executed by the President for and on behalf of this Board.

Which was adopted by the following vote:

Ayes—Commissioners Herrick, Browne, O'Rourke—3.

MEMORANDUM.

PARK BOARD.

Stated meeting, Tuesday, January 17, 1928, 2:30 P. M.

Present—Commissioners Herrick (President), Hennessy, Browne, Butler, O'Rourke.

A representative of the Comptroller being present, and the meeting open to the public, the estimate box was opened and all the bids or proposals received, pursuant to duly published advertisement, were opened and read as follows:

Borough of Manhattan

1. For furnishing all labor and materials necessary or required for furnishing and erecting galvanized chain link fences on the easterly side of Amsterdam Avenue, between 188th Street and a point about 2,200 feet northerly therefrom, together with all work incidental thereto.

Borough of the Bronx

2. For furnishing all labor and materials necessary or required for the construction of permanent sidewalk and curb at Bronx and Pelham Parkway, from Southern Boulevard to the entrance to the Botanical Gardens on the north side of the parkway, and from Southern Boulevard to the entrance to the Zoological Park on the south side of the parkway, in the Borough of the Bronx, in the City of New York, together with all work incidental thereto.

There being no objection, the President directed that the reading of the Minutes of the previous meeting be dispensed with.

Commissioner Herrick offered the following:

Resolved, That the time stipulated for completion of contract (#83833) between this Department and Terminal Supply Company for Playground Equipment, bids for which were received by the Department of Purchase April 12, 1927, be and the same is hereby further extended up to and including January 31, 1928, the reasons for the delay being beyond the control of the contractors.

Which was adopted by the following vote:

Ayes—Commissioners Herrick, Hennessy, Browne, Butler, O'Rourke—5.

Commissioner Browne called attention to the subject of the celebration of the 200th Anniversary of the birth of George Washington, the Father of our Country, involving an international exposition in 1932. The subject greatly interested him on account of the announcement of the Committee as follows:

"The Commission appointed under an Act of Congress has announced that a movement has been started to procure this celebration for New York City in conjunction with the largest exposition ever held, to become a permanent affair and creating a beautiful marine park to be presented to the City of New York."

This apparently refers to what is known as the Marine Park, a tract of more than 1,000 acres on the western shores of Jamaica Bay, and is the explanation of Commissioner Browne's concern in the matter.

The whole subject was discussed at some length by all of the Commissioners and then laid over for future consideration.

On motion at 3:25 P. M. the Board adjourned.

WILLIS HOLLY, Secretary, Park Board.

PARK BOARD.

Stated meeting, Tuesday, January 31, 1928, 2:30 P. M.

Present—Commissioners Herrick (President), Browne, Butler, O'Rourke.

A representative of the Comptroller being present, and the meeting open to the public, the estimate box was opened, and all the bids or proposals received, pursuant to duly published advertisement, were opened and read as follows:

Borough of Richmond

1. Contract for grubbing, clearing and grading of the ground for a golf course at Silver Lake Park, and also excavating earth, laying vitrified pipe, concrete pipe, open drain pipes, constructing a concrete spillway and widening and dredging existing brook.

2. Contract 2.—For installing a water supply system for a golf course in Silver Lake Park.

There being no objection, the President directed that the reading of the Minutes of the previous meeting be dispensed with.

Commissioner Herrick offered the following:

Resolved, That the time stipulated for completion of contract No. 85243, for general construction of comfort station, Washington Square Park, New York City, bids for which were received September 8, 1927, be extended thirty additional working days, the reason for the delay being beyond the control of the contractor.

Which was adopted by the following vote:

Ayes—Commissioners Herrick, Browne, Butler, O'Rourke—4.

Commissioner O'Rourke offered the following:

Resolved, That the proposal of the lowest formal bidder for Contract 1 for grubbing, clearing and grading of the ground for a golf course at Silver Lake Park, and also excavating earth, laying vitrified pipe, concrete pipe, open drain pipes, constructing a concrete spillway and widening and dredging existing brook, for which bids were received by the Park Board January 31, 1928, be forwarded to the Comptroller for approval of sureties, and when so approved that a contract for the same be entered into and executed by the President, for and on behalf of this Board.

Which was adopted by the following vote:

Ayes—Commissioners Herrick, Browne, Butler, O'Rourke—4.

Commissioner Butler opened a discussion upon the subject of park police work, saying that he had complaints about danger to skaters from snapping the whip and other disorderly practices, and Commissioner Herrick read the sections of the Charter covering the subject and the other commissioners related their experiences and presented their views concerning park police work.

After considerable discussion the matter was laid over to the next meeting.

On motion at 2:46 P. M. the Board adjourned.

WILLIS HOLLY, Secretary, Park Board.

Resolved, That the proposal of the lowest formal bidder, received by the Park Board March 13, 1928, for furnishing all labor and materials necessary or required for the improvement of Williamsburg Playground, bounded by Lorimer Street, Johnson Avenue, Boerum Street and Leonard Street, Borough of Brooklyn, together with all work incidental thereto, be forwarded to the Comptroller for approval of sureties, and when so approved that a contract for the same be entered into and executed by the President for and on behalf of this Board.

Which was adopted by the following vote:

Ayes—Commissioners Herrick, Hennessy, Browne, Butler, O'Rourke—5.

Commissioner Browne offered the following:

Resolved, That the proposal of the lowest formal bidder, received by the Park Board March 13, 1928, for furnishing all labor and materials necessary or required for excavating and filling, curbing, flagging and constructing of basins, manholes, drains and paving with sheet asphalt on a concrete foundation in Buffalo Avenue from Eastern Parkway to East New York Avenue, Borough of Brooklyn, together with all work incidental thereto, be forwarded to the Comptroller for approval of sureties, and when so approved that a contract for the same be entered into and executed by the President for and on behalf of this Board.

Which was adopted by the following vote:

Ayes—Commissioners Herrick, Hennessy, Browne, Butler, O'Rourke—5.

Commissioner Browne offered the following:

Resolved, That the proposal of the lowest formal bidder, received by the Park Board March 13, 1928, for furnishing all labor and materials necessary or required for regulating and grading, top soiling, tree planting and sodding in Buffalo Avenue, between Eastern Parkway and East New York Avenue, Borough of Brooklyn, together with all work incidental thereto, be forwarded to the Comptroller for approval of sureties, and when so approved that a contract for the same be entered into and executed by the President for and on behalf of this Board.

Which was adopted by the following vote:

Commissioner Butler offered the following:

Resolved, That the time stipulated for the completion of the contract between this Department and Messrs. Muccini & Decker, for the construction of timber bulkhead and jetties on the beach front at Rockaway Park, between 109th and 126th Streets, dated May 20, 1927, be and the same is hereby extended fifty (50) additional consecutive working days, work on this contract having been retarded by conditions beyond the control of the Contractors.

Which was adopted by the following vote:

Ayes—Commissioners Herrick, Hennessy, Browne, Butler, O'Rourke—3.

The Commissioners discussed Senate Bill No. 1306, referred to them by Walter B. Caughlan, Ass't Corporation Counsel in charge of New York City legislation in Albany. Commissioner Herrick reported that he had answered Mr. Caughlan's letter to the effect that he had examined the Bill carefully and was opposed to it, for the reason that if playgrounds or other public places of a similar character are to be placed under the general supervision of any Park Department, such a department should not be hampered or handicapped in any way by any rules and regulations of an outside body. In other words, the Park Department should have absolute and sole jurisdiction, or none at all.

All the Commissioners concurred in this view of the question.

On motion at 3:15 the Board adjourned.

WILLIS HOLLY, Secretary, Park Board.

There being no objection, the President directed that the reading of the Minutes of the previous Meeting be dispensed with.

Commissioner Herrick sent out for a Committee of Women Cottage Attendants, in waiting to confer with the Board on the question of the salaries for that position in the Budget for 1929:

The Committee consisted of Gertrude Skelling and Mary Duggan of Manhattan and Cornelia B. Benson, Mary C. Fitzpatrick and Carrie Zerbe of Brooklyn.

Mrs. Skelling, followed by the other members of the Committee, explained the discrepancy in salary rates between Park Department employees and those in the same positions and grades under the various Borough Presidents whose work is certainly no harder if it is as hard.

The Commissioners present in turn expressed their favorable attitude toward the request for the equalization of these salaries, and Secretary John J. Sullivan of the Brooklyn Park Department said that Commissioner Browne had also so expressed himself.

It was decided, however, that no action of the Board would be of any effect in the matter as the budgets are made up under the individual administrative jurisdiction of the several commissioners.

The Committee was referred to the various Commissioners concerned and instructed to have the matter taken up to the Director of the Budget with the understanding that their request would have the support of the Park Department as a whole.

Commissioner Herrick offered the following:

Resolved, That the time stipulated for the completion of work on contract (No. 86745) with Prever Lumber Company, Inc., 250 West 23rd Street, N. Y. "City of New York

LAW DEPARTMENT

Office of the Corporation Counsel

New York City, May 16, 1928.

Hon. Walter R. Herrick,
President, Park Board.

Sir:

I hereby inform you that the duplicate final decree of the Supreme Court in proceedings to acquire title in fee to the real property required for the Public Park on the northerly side of 37th Avenue, 125 feet westerly of Parsons Boulevard, Borough of Queens, City of New York, as shown on a map bearing the signature of the President of the Borough of Queens, and dated May 5, 1925, has been deposited with the Comptroller.

The final decree herein was duly entered in the office of the Clerk of the County of Queens on the 23rd day of April 1928.

The order of the Supreme Court granting the application to condemn the real property required for this improvement was entered in the office of the Clerk of the County of Queens on the 1st day of October 1925.

The title in fee to the real property acquired for the Public Parks on the northerly side of 37th Avenue, 125 feet westerly from Parsons Boulevard, became vested in the City of New York on the date of the entry of the order of the Supreme Court granting the application to condemn the real property required for this improvement, to wit: October 1, 1925, pursuant to a resolution of the Board of Estimate and Apportionment adopted on the 28th day of August, 1925.

Respectfully yours,

JOEL J. SQUIERS,
Acting Corporation Counsel."

On motion at 3:10 P. M. the Board adjourned.

WILLIS HOLLY, Secretary, Park Board.

There being no objection, the President directed that the reading of the Minutes of the previous meeting be dispensed with.

The Secretary announced that a Committee representing the Climbers and Pruners in the Park Department desired to be heard on the subject of their application to the Board of Estimate and Apportionment for an increase of \$1.00 per day in the 1929 Budget.

The Committee appeared as follows:

Joseph Bere, Brooklyn, Chairman; Eugene Walsh, Edward Hanlon and Francis L. Carey.

Chairman Bere detailed the steps that had been taken in the effort to get the application in shape to be acted upon. He marshalled the facts in support of it at some length. It should rank as a skilled trade with pay above the labor class, he said, as the men had to have two or three years of training and be able to carry on when put on a job and left alone. He further called attention to the fact that it was a hazardous occupation and so rated in the compensation and insurance schedules. He suggested and requested that some action be taken by the Park Board of sanction and endorsement of the application to be transmitted to the Board of Estimate and Apportionment.

After discussion, Commissioner Herrick offered the following resolution:

Resolved, That the Park Board hereby approves and endorses the application of the Climbers and Pruners in the Park Department for an increase of pay in the 1929 Budget on the grounds urged in their petition, viz., that theirs is a skilled and hazardous occupation.

Which was adopted by the following vote:

Ayes—Commissioners Herrick, Browne, O'Rourke—3.

Commissioner Herrick offered the following:

Resolved, That the proposal of the lowest formal bidder for furnishing all labor and material necessary for repairing damage caused by lightning striking the roof of the Soldiers' and Sailors' Monument in Riverside Park at 89th Street, for which bids were received by the Park Board May 22, 1928, be forwarded to the Comptroller for approval of sureties, and when so approved that a contract for the same be entered into and executed by the President for and on behalf of the Board.

Which was adopted by the following vote:

Ayes—Commissioners Herrick, Browne, O'Rourke—3.

Commissioner Herrick offered the following:

Whereas, The Board of Aldermen by resolution adopted May 15, 1928, and approved by the Mayor May 22, 1928, authorized a contract without public letting with the Beaver Engineering & Contracting Co., for an irrigation system in Central Park; therefore, be it

Resolved, That the proposal of the Beaver Engineering & Contracting Company for the furnishing and installation of an automatic lawn sprinkler system for the irrigation of the lawns in Central Park be forwarded to the Comptroller for approval of sureties, and when so approved that a contract for the same be entered into and executed by the President for and on behalf of this Board.

Which was adopted by the following vote:

Ayes—Commissioners Herrick, Browne, O'Rourke—3.

Commissioner Browne offered the following:

Resolved, That the time stipulated for completion of the contract between this Department and the H. H. McNeill Lumber Company for furnishing lumber for the Department of Parks, Borough of Brooklyn, dated March 31, 1928, for which bids were received by the Department of Purchase December 14, 1928, be and the same is hereby extended to May 31, 1928, the delay being due to reasons beyond the control of the contractors.

Which was adopted by the following vote:

Ayes—Commissioners Herrick, Browne, O'Rourke—3.

Commissioner O'Rourke offered the following:

Resolved, That the proposal of the lowest formal bidder for furnishing and installing lockers for the Golf Club House situated in Silver Lake Park, Richmond, for which bids were received by the Park Board May 29th, 1928, be forwarded to the Comptroller for approval of sureties, and when so approved that a contract for the same be entered into and executed by the President for and on behalf of this Board.

Which was adopted by the following vote:

Ayes—Commissioners Herrick, Browne, O'Rourke—3.

On motion at 3:10 P. M., the Board adjourned.

WILLIS HOLLY, Secretary, Park Board.

There being no objection, the President directed that the reading of the Minutes of the previous Meeting be dispensed with.

The Secretary read the certified copy of a resolution of the Board of Estimate and Apportionment, as follows:

“(Cal. No. 134)

Whereas, Frank Bailey, Esq., of the Borough of Brooklyn, City of New York, has offered to give to The City of New York in behalf of Mrs. Bailey and himself and in appreciation of the opportunities which Brooklyn has afforded him during his residence therein for the past 42 years, a certain fountain, to cost not over one hundred thousand dollars (\$100,000); and

Whereas, It is his desire that such fountain shall be constructed on the Prospect Park Plaza in the Borough of Brooklyn contiguous to the Soldiers and Sailors Memorial Arch and shall be a conspicuous work of art; and

Whereas, It is his desire that the design of such fountain and its exact location shall be selected and approved by the President of the Borough of Brooklyn, the Park Commissioner of the Borough of Brooklyn and the following citizens of the Borough of Brooklyn, namely, Frederick B. Pratt, President of Pratt Institute; William Henry Fox, director of the Brooklyn Museum; Frank L. Babbott, President of the Brooklyn Institute of Arts and Sciences; H. Craig Severence, Architect of The City of New York, and the donor, Frank Bailey, Esq., and

Whereas, It is the desire of Mr. Bailey that the committee, so nominated by him, shall have the power to select the sculptor and arrange for the construction of such fountain, and that the questions and acts of such committee shall be concurred in by the President of the Borough of Brooklyn and the Park Commissioner of the Borough of Brooklyn, representing The City of New York; and

Whereas, The design and location of such fountain shall first be submitted to and approved by the Art Commission of the City of New York; and

Whereas, It is the desire of Mr. Bailey that the Board of Estimate and Apportionment of The City of New York shall accept such gift of the said fountain on or before July 1, 1928, and that when accepted by the said Board that the proposal of Mr. Bailey shall be an agreement binding upon him, his heirs and personal representatives; therefore be it

Resolved, That the gift of the fountain aforesaid to The City of New York by Frank Bailey, Esq., of the Borough of Brooklyn, City of New York, be and the same hereby is accepted by the Board of Estimate and Apportionment of The City of New York in accordance with the terms and conditions aforesaid; and be it further

Resolved, That the deed of gift of the said fountain submitted by the Corporation Counsel of The City of New York, and approved by him as to form, be accepted for the purpose of effectuating and preserving such gift to The City of New York; and be it further

Resolved, That this resolution be forthwith transmitted to the Park Board of The City of New York with the request that the Park Board concur therein; and be it further

Resolved, That a certified copy of this resolution be forthwith transmitted to the donor, Frank Bailey, Esq., of the Borough of Brooklyn.

Commissioner Butler offered the following:

Resolved, That all the bids or proposals, received by the Park Board June 12, 1928, for the construction of stone wall, concrete ramps, paths, water supply and drainage in Bowne Park, Borough of Queens, be rejected, it being deemed to the interest of the City so to do.

Which was adopted by the following vote:

Ayes—Commissioners Herrick, Butler, O'Rourke—3.

The Secretary read the following communication:

"June 8, 1928.

Mr. James V. Mulholland,
Supervisor of Recreation,
Arsenal, Central Park,
New York.

My dear Mr. Mulholland:

As Chairman of the Salary Committee of the Recreation Association of Manhattan Park Playgrounds, I am appealing to you to do your utmost in helping us obtain an increase in salary for the coming year.

As you know, we have received no increase since 1920. Each year we have tried every means within our power, and all we have gotten have been promises which were broken.

It is not necessary for me to tell you of the qualifications, of the many duties and the great responsibilities of a Playground Director. You know of the long years of good and faithful service we have given for so little in return.

When the playgrounds were organized our salary was ten dollars a month more than the initial salary of the Public School Teacher, and for some years it compared favorably with them. Now the Recreation Worker in the Schools doing the same kind of work as we is paid \$3.75 per day for two hours work, as compared to the \$4.00 per day rate, for six hours work in our Department. I believe we are the only group of people in the Park Department of Manhattan who have not received an increase in salary since the mandatory one of August 1920.

It is practically impossible to live to-day on the salary we are receiving. Certainly, people of professional training who are responsible for the safety and happiness of thousands of children in their leisure hours deserve more consideration.

Would it be possible for a representative Committee of our people to take this matter up with Commissioner Herrick, who we know and feel is interested in our cause?

We are very appreciative of your efforts in our behalf in other years, and we know you will do your utmost again.

Thanking you, I am

Respectfully yours,

Sadie R. Naftalen."

The Secretary stated that Commissioner Herrick thought that the subject should receive the attention of all the members of the Park Board and at the same time they could consider the proposition of Head Farm Garden Attendant Edward J. Miller that the Farm School Attendants are in a position closely related to that

presented by the pay rate of the Playground directors. The Head Attendant's salary is \$2,160.00 per annum; five of the attendants get \$1,478.00 and two are on a per diem basis at \$4.00.

Miss Sadie R. Naftalen was then heard at some length, amplifying the statements in her communication as read, and showing that in various pay raises at different times in 1920 and afterward this position had always failed to be considered.

Supervisors of Recreation John J. Downing of Brooklyn and John J. McCormack of the Bronx added their testimony in favor of the recognition requested. Supervisor McCormack said that he desired to go a step further and to testify that the low salary rate operated to deprive the City of the efficient service so much to be desired as it was impossible to keep the right people in the Department at the salaries available.

Commissioner Herrick offered the following:

Whereas, Representatives of the Women Playground Directors of the five boroughs of the City of New York and Representatives of the Men Playground Directors of the five boroughs of the City of New York have appeared before the Park Board and called to its attention the fact that there have been no increases in their pay since 1920, and

Whereas, The report of the Mayor's Committee on Plan and Survey recommends on page 157 thereof, sub-division 6, as follows:

"It is recommended that the leaders of the playgrounds be known as Playground Directors instead of Playground Attendants and that the highest standards should be adopted for the selection of these Directors with an appropriate provision for grades and classifications of workers, with increases in pay that will attract leaders of the highest quality."

and

WHEREAS, It is the judgment of the Park Board that both the Women and Men Playground Directors are underpaid under the present schedules and do not receive a pro rata compensation with other Park Employees.

Resolved, That we urgently endorse recommendation of the Mayor's Committee and suggest the following schedule of increases or equalizations:

Playground Directors now in Department to be increased to a minimum of \$1,500. per annum.

Playground Directors employed in the Department for more than two years on Jan. 1, 1929, to be increased to \$1,750. per annum.

Playground Directors employed in the Department more than five years on Jan. 1, 1929, to be increased to \$2,100. per annum.

and be it further

Resolved, That the Farm Garden School Attendants should also be so classified and rated for salaries.

Which was adopted by the following vote:

Ayes—Commissioners Herrick, Butler, O'Rourke—3.

Alexander Eckel, Thomas Fantry and Dominick Cavello, a Committee representing the Cottage Attendants, Park Department, were then heard on the subject of salary. Mr. Eckel was the spokesman but the other Committeemen added to what he had to say.

The burden of their complaint was that they took a promotion examination to get a different classification from laborers, and then were paid less money than the laborers. Also that similar work, or work that was not even so hard, was paid for at a much better rate in the bureaus under the Borough Presidents.

Commissioner Herrick offered the following:

Resolved, That the Park Department Attendants now receiving \$5.00 per diem be put in the proposed budget for 1929 with the request for \$5.50 per diem.

Which was adopted by the following vote:

Ayes—Commissioners Herrick, Butler, O'Rourke—3.

On motion at 3:20 P. M. the Board adjourned.

WILLIS HOLLY, Secretary, Park Board.

There being no objection, the President directed that the reading of the Minutes of the previous Meeting be dispensed with.

Commissioner Herrick read invitations addressed to the Park Board, as follows:

From the American Institute of Park Executives to the Convention in Los Angeles, Cal., September 18th, for one week.

From the National Recreation Congress of the Playground and Recreation Association of America in Atlantic City, October 1st to 6th.

In the discussion of these invitations all the Commissioners showed their appreciation of the interest and value of such meetings of Park officials. It was decided that it was impossible for the City to be represented, however, as all the efforts the Board had made to get provision for expenditures in this direction had been unsuccessful.

The Secretary read a communication under date of July 17th, from Anthony Capasso of 2091 Nereid Avenue, Bronx, explaining that his bid for top soil, submitted on a letterhead on July 10th was made necessary by the fact that he had mislaid the proposal he had prepared on the regular Park Department form. This proposal having since been found he asked that it be approved as the lowest bid.

It was decided that the Board had no power to accept the informal bid tendered on July 10th, or the one properly made out and tendered on July 17th.

By request, Commissioner Herrick offered the following:

Which was adopted by the following vote:

Ayes—Commissioners Herrick, Hennessy, O'Rourke—3.

Commissioner O'Rourke exhibited blue prints of plans of the Golf Course Construction at Silver Lake Park, Borough of Richmond. These were discussed at considerable length.

This work has excited a great deal of interest in the Golf world. An eighteen hole course on the limited acreage available presented problems, the solution of which is attracting a great deal of attention.

There being no objection, the President directed that the reading of the Minutes of the previous Meeting be dispensed with.

Commissioner Hennessy offered the following:

Resolved, That the time stipulated for completion of contract No. 82807 with Acme Lighting Fixtures in Museum Building, in the New York Botanical Gardens, in Bronx Park, in the Borough of The Bronx, in the City of New York, together with all work incidental thereto, bids for which were received by the Park Board July 15th, 1927, be and the same is hereby extended to December 1st, 1928, the reason for the delay being beyond the control of the contractors.

Which was adopted by the following vote:

Ayes—Commissioners Herrick, Hennessy, Browne, Butler, O'Rourke—5.

Commissioner Butler offered the following:

Resolved, That the proposal of the lowest formal bidder for the erection of new plant benches in Greenhouse No. 4 at Forest Park, Borough of Queens, together with all work incidental thereto, for which bids were received by the Park Board December 18, 1928, be forwarded to the Comptroller for approval of sureties, and when so approved that a contract for the same be entered into, and executed by the President for and on behalf of this Board.

Which was adopted by the following vote:

Ayes—Commissioners Herrick, Hennessy, Browne, Butler, O'Rourke—5.

The Secretary read the following memorandum:

"I would like to call to the attention of the Board of Park Commissioners a serious disease that is attacking the Oak, Beech, Elm and Linden trees on Staten Island, and from what I can learn, this disease is spreading very rapidly in the eastern part of the United States. This disease is not due to INSECTS, but to a fungus growth and can be cured if attended to in its early stages, but if left too long is sure to result in the death of the trees.

"Many of the trees on Staten Island are already dead, or nearly dead, and beyond help. Therefore, I would recommend to this Park Board that this disease be looked into in the parks of Greater New York by some person competent to give a true report on the condition of the trees in order that the Board may take necessary steps to control this disease if it is found to be threatening the lives of our park trees.

"Respectfully submitted,

"JOHN J. O'ROURKE,

"Park Commissioner, Richmond."

Upon discussion it was agreed that Commissioner O'Rourke would present the invitation of the Park Board to Mr. Charles Fremd, a recommended authority on the subject of the memorandum, for a conference at some session of the Park Board.

On motion, at 3:40 P. M. the Board adjourned.

WILLIS HOLLY, Secretary, Park Board.

PARK BOARD.
