Commissioner Smith offered the following, at the request of Commissioner Berry:

Whereas, A contract was entered into between The City of New York and John V. Schaefer, Jr. & Co., "For furnishing all the labor and materials for the erection and completion of an administration building in the New York Zoological Park, in Bronx Park, in The City of New York," which contract was executed on September 14, 1908; and

Whereas, The New York Zoological Society has requested that an additional amount be allowed the contractor for certain changes to be made in the building; and

Whereas, The Corporation Counsel, in an opinion rendered, decided that the proper way for this allowance to be made would be by a modification, as per clause K of the contract; now, therefore, be it

Resolved, That the President of the Park Board be, and he hereby is, authorized to enter into a modification of the contract between The City of New York and John V. Schaefer, Jr. & Co., of the said city, making an allowance of seven hundred forty-eight dollars (\$748), for the additional work.

Which were adopted by the following vote:

Ayes—Commissioners Smith, Kennedy—2.

Commissioner Smith offered the following, at the request of Commissioner Berry:

Resolved, That the proposal of the lowest formal bidder for repairing and keeping in repair the motor, horse and hand lawn mowers on parks in The Bronx, for which bids were received on the 18th inst., be forwarded to the Comptroller for his approval of sureties, and when so approved that a contract for the same be entered into and executed by the President for and on behalf of this Board.

Which was adopted by the following vote:

Ayes—Commissioners Smith, Kennedy—2.

Commissioner Kennedy offered the following:

Resolved, That the proposal of the lowest formal bidder for furnishing and delivering grass sod in Parks and on parkways in Brooklyn and Queens, for which bids have been this day received, be forwarded to the Comptroller for his approval of sureties, and when so approved that a contract for the same be entered into and executed by the President for and on behalf of this Board.

Which was adopted by the following vote:

Ayes—Commissioners Smith, Kennedy—2.

The minutes of the previous meeting were read and approved.

Commissioner Smith offered the following:

Resolved, That the time stipulated for the completion of the work under contract with S. Frank Miletta for painting the wrought iron railing along the Harlem River driveway, from One Hundred and Fifty-fifth street to Dyckman street, Borough of Manhattan, executed under date of October 22, 1908, be and the same hereby is extended to and including April 10, 1909, as recommended by the Architect.

Which was adopted by the following vote:

Ayes—Commissioners Smith, Berry, Kennedy—3.

Commissioner Kennedy offered the following:

Resolved, That the time stipulated for the completion of the contract dated March 2, 1908, with the Manhattan Supply Company for Blacksmith's supplies for Prospect Park, Borough of Brooklyn, be and the same hereby is extended to March 19, 1909, it being deemed in the interest of the City so to do.

Which was adopted by the following vote:

Ayes—Commissioners Smith, Berry, Kennedy—3.

Commissioner Kennedy offered the following:

Resolved, That the proposal of the lowest formal bidder for furnishing and delivering grass seed at Prospect Park, Brooklyn, for which bids have been received this day, be forwarded to the Comptroller for his approval of sureties, and when so approved that a contract for the same be entered into and executed by the President for and on behalf of this Board.

Which was adopted by the following vote:

Ayes—Commissioners Smith, Berry, Kennedy—3.

Commissioner Berry offered the following:

Resolved, That the proposal of the lowest formal bidder for furnishing and delivering timber for parks in The Bronx, for which bids have been this day received, be forwarded to the Comptroller for his approval of sureties, and when so approved that a contract for the same be entered into and executed by the President for and on behalf of this Board.

Which was adopted by the following vote:

Ayes—Commissioners Smith, Berry, Kennedy—3.

Commissioner Kennedy offered the following:

Whereas, Chapter 400 of the Laws of 1908 authorizes The City of New York to take by grant, gift, devise or condemnation, such lands in the Second and Fourth Wards of the Borough of Queens as may be selected by the Park Board of said City and approved by the Board of Estimate and Apportionment of said City, for the purpose of regulating the boundary lines, or parts thereof, of Forest Park, in said Borough and laying out and constructing a marginal parkway or parkways along or upon the exterior boundary or boundaries of said park, which parkway or parkways may be laid out and constructed over and upon lands donated or to be donated or otherwise acquired for that purpose, or over and upon lands lying within the present area of said park, or in part over lands so acquired and in part over such present park lands; and

Whereas, A proposition dated February 23, 1909, addressed to the Hon. Michael J. Kennedy, Commissioner of Parks, offering to donate lands under the provisions of said act, has been received from Frederick H. Man and Alrick H. Man, a copy whereof is hereto attached; and

Whereas, In the judgment of the Park Board, it is desirable and in the interest of the City that such proposition should be accepted; now therefore it is

Resolved, That the Park Board of The City of New York hereby selects the lands of said Frederick H. Man and Alrick H. Man, described in said proposition and appearing upon a map bearing date the 27th day of March, 1909, signed by A. P. Man, Civil Engineer, and filed in the office of the Department of Parks on the 15th day of April, 1909, said lands lying within the boundary lines of the proposed parkway, shown upon said map, and also a gore or strip lying south of Metropolitan avenue, and between the said proposed parkway and the present easterly boundary line of Forest Park, which lands extend from the intersection of said boundary line on the south with Myrtle avenue, to its intersection on the north with Union turnpike, such lands being hereby selected for the purposes set forth in said statute, namely: for the purpose of regulating the boundary lines or parts thereof of Forest Park and laying out and constructing a marginal parkway along or upon the exterior boundary line of said park in accordance with the provisions of said act, and in the manner shown on said map.

Which were adopted by the following vote:

Ayes—Commissioners Smith, Berry, Kennedy—3.

On motion, at 3.25 p. m., the Board adjourned.

W. J. FRANSIOLI, Secretary.

DEPARTMENT OF PARKS.

Thursday, April 22, 1909.

Stated meeting, 3 p. m.

Present—Commissioners Smith (President), Berry, Kennedy.

Beginning at a point thirty (30) feet, more or less, north of the northerly line of Fourth avenue and extending southerly for a distance of four hundred and fifty (450) feet, more or less, to the dividing line between the property of The City of New York and the United States Government Reservation known as "Fort Hamilton," the greatest encroachment being eighty (80) feet in width, more or less;

—are exterior and outside of the bulkhead line approved by the Secretary of War in the year 1890; and

Whereas, In order to preserve the symmetry and contour of such parkway, it has been ascertained that no change of the lines thereof in the sections above referred to, so as to conform to the said United States bulkhead line, can be made; and

Whereas, The City of New York, as the successor corporation of the former City of Brooklyn, is the owner of all the lands and lands under water and all riparian rights appurtenant thereto exterior to the inside line of said parkway and upon which the same is to be built; therefore be it

Resolved, That this Board hereby authorizes the Commissioner of Parks for the Boroughs of Brooklyn and Queens, for and on behalf of and in the name of The City of New York, to make application to the Secretary of War for a modification of the United States bulkhead line approved in the year 1890 between the points above mentioned so as to make such bulkhead line coincident with and to conform to the exterior line or side of said Bay Ridge parkway, as per drawings attached hereto; and be it further

Resolved, That the Commissioner of Parks for the Boroughs of Brook'yn and Queens of The City of New York be and he hereby is directed to furnish any and all information to the Secretary of War or to such army officers as he may designate in order to obtain such modification.

Which were adopted by the following vote:

Ayes—Commissioners Smith, Berry, Kennedy—3.

The minutes of the previous meeting were read and approved.

A communication was received from S. N. Butler, Secretary of the Automobile Club of America, and, on consideration, it was directed that the President reply to same, advising Mr. Butler that the Park Board considers the present ordinance in relation to the smoke from automobiles a suitable and reasonable one, and therefore does not care to modify the same.

The President submitted, in quintuplicate, the estimate for the Park Board for the year 1910.

Commissioner Smith submitted, in quintuplicate, his departmental estimate for the Boroughs of Manhattan and Richmond for the year 1910.

Commissioner Berry submitted, in quintuplicate, his departmental estimate for the Borough of The Bronx for the year 1910.

Commissioner Kennedy submitted, in quintuplicate, his departmental estimate for the Boroughs of Brooklyn and Queens for the year 1910.

The departmental estimate for the year 1910 was then considered.

Commissioner Smith offered the following:

Resolved, That the estimate for the Park Board, and the estimates submitted by the several Commissioners, be and they are hereby adopted as the estimate of the Department of Parks for the year 1910, and that the same be forwarded to the Mayor and copies sent to the Secretary of the Board of Estimate and Apportionment, to the Board of Aldermen and the Comptroller.

Which was adopted by the following vote:

Ayes—Commissioners Smith, Berry, Kennedy—3.

The minutes of the previous meeting were read and approved.

Commissioner Smith offered the following:

Whereas, Pursuant to the agreement dated October 7, 1908, made between the Park Board of the Department of Parks of The City of New York, and the Grant Monument Association relating to the care of the tomb of General Grant at Riverside drive, it is provided, among other things, that said association shall improve the tomb of General Grant; and

Whereas, The windows of the tomb are plain glass windows, and it is the opinion of the Trustees of the Grant Monument Association and of the members of this Board that a fund should be created with which to purchase and erect suitable stained glass windows in the said tomb; and

Whereas, The Board of Estimate and Apportionment has appropriated the sum of \$7,000 for the care of the said tomb for the year 1909; and

Whereas, The said contract provides for the payment by The City of New York to the said association of the necessary expenses of maintaining said tomb, including not only actual expenses, but also such sums as may be set apart by the association for the creation of such fund as may be approved by said association and the said Commissioners of Public Parks for any of the purposes referred to in said contract, not exceeding the sum of \$7,000 in any one year; and

Whereas, The Trustees of said association at their annual meeting, held February 26, 1909, adopted the following resolution:

"Resolved, That this association hereby sets apart the sum of \$2,000 from its income of \$7,000 for the year 1909, for the creation of a fund for the purchase and erection in the tomb of General Grant of such stained glass windows as may be approved as to design and ordered by the executive committee of this association, all subject to the approval of the Commissioners of Public Parks of The City of New York; and

"Whereas, This Board approves of setting aside the sum of \$2,000 for the creation of a fund for the purchase and erection of suitable stained glass windows in the said tomb of General Grant: now therefore be it

"Resolved, That this Board hereby approves of the payment by The City of New York to the Grant Monument Association of the sum of \$2,000 out of its appropriation of \$7,000 for the year 1909, for the creation of a fund with which to purchase and erect in the tomb of General Grant such stained glass windows as may be approved and ordered by the Executive Committee of the Grant Monument Association."

On motion, at 3.20 p. m., the Board adjourned.

W. J. FRANSIOLI, Secretary.

Which was adopted by the following vote:

Ayes—Commissioners Smith, Berry, Kennedy—3.

Commissioner Smith offered the following:

Whereas, It appears to the satisfaction of the Park Board that there is not, and has not been for a long time past, sufficient work for the Assistant Secretary of said Park Board to perform, and that the proper and economical administration of the business of the Park Board and the Department of Parks does not require the services of an Assistant Secretary, and

Whereas, There is no position under the Park Board or in the Department of Parks to which the present incumbent of said position of Assistant Secretary can be transferred or assigned, now be it

Resolved, That the position of Assistant Secretary to the Park Board be and the same hereby is abolished on account of lack of work to be performed by such Assistant Secretary, and that Clinton H. Smith be and he hereby is removed and discharged as Assistant Secretary to said Park Board, to take effect immediately, and be it further

Resolved, That a notice be sent to said Clinton H. Smith advising him of the abolition of said position as Assistant Secretary and of his removal from the service, and that the true grounds of his removal, viz., on account of lack of work for him to perform, be forthwith entered upon the records of this Board and the records of the Department of Parks, and a copy filed with the Municipal Civil Service Commission, and that a statement showing the cause of such removal, viz., on account of lack of work for said Clinton H. Smith to perform, be filed in the Department of Parks, and that a notice of such abolition of position and removal be transmitted to the City Record to be published therein.

Which were adopted by the following vote:

Ayes—Commissioners Smith, Berry, Kennedy—3.

On motion, at 3.40 p. m., the Board adjourned.

W. J. FRANSIOLI, Secretary
