Signature Certification

I hereby certify that I have presented an accurate and truthful representation of the work conducted at the location described herein. I have worked to ensure compliance with all accepted professional standards in arboricultural practices and to ensure compliance with all applicable laws, regulations, policies and ethical standards. In the event the contractor has failed to comply with all applicable laws, regulations, policies and ethical standards; or created conditions that may present a hazard to people or property, I have immediately notified the appropriate representative of New York City Department of Parks and Recreation.
